Comment Reasons:

Comment: Something More Productive, along with Withington Baths and the Co-Op nearby were major positive factors of buying our home in Withington recently. We have been visiting this beautiful coffee shop for years as an alternative to La Chouquette in Didsbury or Kiosk on Lapwing Lane. Having lived further along Wilmslow Road, this was a much more convenient walk with beautiful handmade crockery, excellent coffee, and a beautiful outside seating area. When we found out that they were serving pizza, wine, and craft beer in the evenings, we decided to have a date night. It did not disappoint. That evening we discussed how we could see ourselves living around here for a while, and especially that we would love to keep coming for date nights. Sadly, soon after, the closing time was curtailed. It would be really heartbreaking to lose another excellent Withington business.
