Comment Reasons:

Comment: [REDACTED] and have visited Something More Productive at least twice a week since it opened over a year ago. It has been fantastic to see such a vibrant cafe with high quality food and drink opening in Withington. The cafe has a lovely atmosphere, and we usually spend a few hours there. We also regularly walk past the cafe in the evenings. We have never seen any disturbance at any point, either inside or outside the premises during our visits or while in the neighbourhood, and even when busy, it has been an oasis of calm, run efficiently by Theo and his team. Likewise, we have not heard any reports relating to noise; or any behavioural issues by customers from friends who live in the area and visit the cafe. We greatly value Something More Productive and what it has brought to Withington Village since it opened, and would love to see the hours extended so that we and other customers can benefit from increased access, Yours Sincerely, [REDACTED]
