Comment Reasons:

Comment:I am writing in strong support of this application. I live on Parsonage Road, a one minute walk across the road to SMP. SMP is a welcome and important part of the local community, I have never once heard any noise or witnessed, nor heard of any antisocial behaviour connected with SMP. They engage with local residents and have a community minded, ethical business model and would be sorely missed if the business were unable to trade. I hope permission is granted and SMP are able to continue to trade as part of the Withington community for years to come. Denying permission, would, in my opinion be contrary to the council's plans to regenerate the area - what is the point of the recent pedestrianisation of copson street about if it isn't to help local businesses and the community thrive?

Kind regards,
