Comment Reasons:

Comment: We are a SEMH school and below are our concerns and we would love more information on this.

- they want to widen the road - will they chop the trees down that surrounds our car park?

Exposing the school that currently helps our pupils to be calm as they can't see traffic going past.

- who will be paying for this road work and the upkeep - we have contributed to repairs in the past

- use of the road during the week - amount of traffic when we need full access for school Busses/ taxis and walking parents/ pupils. Again this is about keeping the environment around the school calm to help our SEMH pupils to succeed.

- what will the noise level be during the week when the pupils are in school?
