Proposal to Open an Indian Street Food Restaurant in Cheetham Hill, Manchester

We are writing to express our intent to open the second branch of Mr Chaat, an Indian street food restaurant that serves authentic, flavorful dishes inspired by traditional Indian street food culture. Following the success of our first location in Bolton Town Centre, where we received exceptional feedback from the council and the community, we are eager to bring our unique offering to the vibrant and diverse community of Cheetham Hill, Manchester.

At Mr Chaat, we take pride in serving authentic Indian street food, with a menu that stands out in both quality and variety. Dishes such as pani puri, dosa, paratha, Manchurian, and curries with rice are not only enjoyed by individuals familiar with Indian cuisine, but are also savored enthusiastically by a wider audience. While the majority of our menu items are vegetarian, we aim to cater to a broad range of tastes, offering something for everyone. Our food is crafted with care under the expert guidance of our Head Chef Mrs. Latakshi and owner Mr. Kishan, both of whom bring multiple years of experience and lead our talented team at Mr Chaat.

We believe the addition of Mr Chaat in Cheetham Hill will greatly benefit the local community. The area's diverse population will find a welcoming place to enjoy affordable, nutritious, and freshly prepared food. Our focus on authentic Indian street food, paired with excellent customer service, is designed to cater to the tastes and needs of people from all walks of life.

Our commitment to quality and service is reflected in the overwhelmingly positive feedback we have received on platforms like Google Reviews, as well as our growing popularity on social media. These testimonials highlight our dedication to providing an enjoyable dining experience for every customer.

We are confident that our restaurant will bring value to the Cheetham Hill community by creating a vibrant, welcoming space where individuals and families can experience the richness of Indian street food culture. With the support of the council, we hope to establish Mr Chaat as a beloved addition to the locality.

We kindly request your consideration of our proposal to bring Mr Chaat to Cheetham Hill. We are enthusiastic about contributing to the community by offering authentic, high-quality Indian street food in a friendly and inclusive setting.

Please feel free to contact us for any further information or to discuss our proposal in detail.

Yours sincerely,
