Description Specifications Colours

- Secure freestanding structure designed to house wheelie bins or recycling units
- Creates an aesthetically pleasing storage area
- Manufactured from 100% recycled plastic cladding with a galvanised steel frame
- Shelter will last for many years without the need for annual maintenance
- Lockable half open gates allow for easy disposal of waste
- Features the market-leading Gatemaster M16 Superhinge lock, tested to 500,000 openings with no wear!
- **Signs shown in image sold separately [view here](#)**
- Modular shelter allows us to add on additional bays, contact our sales team on **0800 1777 052** if you require a price

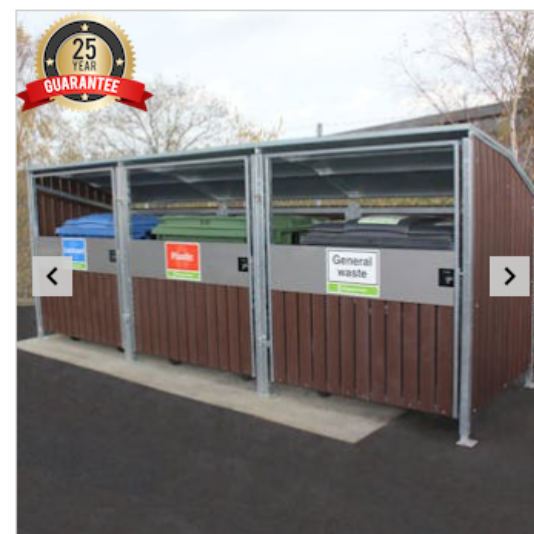

We guarantee that our recycled plastic products will be delivered free from material defects and will not show any natural defects for at least 25 years. This includes splintering, rotting or decay.
