In addition to the above, the specific information in respect to the various conditions is set out below.

Condition 11 (Preliminary Risk Assessment)

“a) Before the development hereby approved commences, a report (the Preliminary Risk Assessment) to identify and evaluate all potential sources and impacts of any ground contamination, groundwater contamination and/or ground gas relevant to the site shall be submitted to and approved in writing by the City Council as local planning authority. The Preliminary Risk Assessment shall conform to City Council's current guidance document (Planning Guidance in Relation to Ground Contamination). In the event of the Preliminary Risk Assessment identifying risks which in the written opinion of the Local Planning Authority require further investigation, the development shall not commence until a scheme for the investigation of the site and the identification of remediation measures (the Site Investigation Proposal) has been submitted to and approved in writing by the City Council as local planning authority. The measures for investigating the site identified in the Site Investigation Proposal shall be carried out, before development commences and a report prepared outlining what measures, if any, are required to remediate the land (the Site Investigation Report and/or Remediation Strategy) which shall be submitted to and approved in writing by the City Council as local planning authority.

b) When the development commences, the development shall be carried out in accordance with the previously agreed Remediation Strategy and prior to occupation a Completion/Verification Report shall be submitted to and approved in writing by the City Council as local planning authority. In the event that ground contamination, groundwater contamination and/or ground gas, not previously identified, are found to be present on the site at any time before the development in each phase is occupied, then development shall cease and/or the development shall not be occupied until, a report outlining what measures, if any, are required to remediate the land (the Revised Remediation Strategy) is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the Revised Remediation Strategy, which shall take precedence over any Remediation Strategy or earlier Revised Remediation Strategy.”

In regard to this condition, please refer to the accompanying Remedial Strategy rev A.

Condition 20 (Surface Water Drainage) states:

“No development shall take place until the full details of a surface water drainage scheme has been submitted to and approved in writing by the City Council as local planning authority.”

In regard to this condition, please refer to the accompanying Drainage Details Sheet 1 of 2 drawing no. SCP-240435-0500-140 rev A, Drainage Details Sheet 2 of 2 drawing no. SCP-240435-0500-120 rev A, Surface Water Manhole Schedules Sheet 2 of 2 drawing no. SCP-240435-0500-121 rev A, Surface Water Catchment Plan drawing no. SCP-240435-0500-110 rev A, Internal Drainage Layout drawing no. SCP-240435-S185-0500-100 rev A, SW Calcs 1, 30 and 100 year, and SW Calcs 100 year and 45%.

Condition 22 (Crime Impact Statement) states:

"Prior to the first occupation of the development hereby approved details of the physical security specifications outlined within the submitted Crime Impact Statement (Ref: 2002/1427/CIS/02 - version A) dated 13 August 2022, received on 02 December 2022 to be installed at the development shall be submitted to and approved in writing by the City Council. The development shall be carried out in accordance with the agreed details."

In regard to this condition, please refer to the accompanying Crime Impact Statement Compliance Drawing, Compliance with Crime Statement, and Secure by Design Verification Letter.

Conclusion

We trust that the information provided is sufficient to discharge the above listed conditions and we look forward to confirmation of early validation and determination of this application. However, in the meantime if you require any further information or have any queries in respect of the submitted documentation, please contact me.

Yours faithfully,
