APPENDIX A Full Bus Timetables

1. Introduction

1.1 Preamble

- 1.1.1 Mode Transport Planning ('Mode') has been appointed by PH Property Holdings Ltd (the 'Applicant') to provide transport planning and highways advice in relation to a planning application for a proposed development at the Equitable Building in Manchester City Centre.
- 1.1.2 The proposed development will comprise a change of use on the second and third floors to provide 11no. apartment units, as well as a roof extension and c.620 sqm of refurbished retail floor space on the first floor.
- 1.1.3 This Framework Travel Plan (FTP) has been prepared as part of the planning application documentation and should be read in conjunction with the Transport Statement (TS) also produced by Mode.
- 1.1.4 This TP is relevant to the residential aspect of the development only.

1.2 Overview of the Travel Planning Process

- 1.2.1 A Travel Plan (TP) is a long-term management strategy for integrating proposals for sustainable travel into the planning process. The TP provides a strategy for managing travel demand and involves a dynamic process of implementation, monitoring and review to ensure that it is sustainable over the long-term.
- 1.2.2 The underlying aim of any TP is to minimise the number of single occupancy private car trips generated by a development, by encouraging a shift to more sustainable modes of transport, and as a result mitigating the impact of travel.
- 1.2.3 A successful TP can be established by the Travel Plan Pyramid shown in [Figure 1.1](#).

Figure 1.1 : Travel Plan Pyramid (source : Department for Transport)

1.2.4 This TP forms the starting point in providing the following:

- Details of the provision for cyclists, pedestrians and public transport users;
- An example toolkit of sustainable transport measures;
- Potential milestone targets that could be developed for on-going implementation; and
- A strategy for ongoing monitoring and review.

1.2.5 The key objectives of the TP are to:

- Reduce the need to travel by car to and from the site;
- Promote the health and cost benefits of cycling, walking and using public transport;
- Promote the cost benefits of car sharing;
- Provide clear information to residents on sustainable modes of travel to and from the site; and

- Provide information to residents on the alternative sustainable modes of transport.

1.3 Report Structure

1.3.1 Following this introduction, the Travel Plan has been structured as follows:

- Chapter 2 reviews the existing conditions;
- Chapter 3 presents the development proposals;
- Chapter 4 sets out the sustainable travel connections for the site;
- Chapter 5 outlines the overarching aims, objectives and benefits of the plan;
- Chapter 6 sets out the Travel Plan targets;
- Chapter 7 presents the strategy for the Travel Plan;
- Chapter 8 identifies the measures and initiatives;
- Chapter 9 outlines how the plan can be monitored and reviewed; and
- Chapter 10 presents an action plan for the implementation and delivery of the plan.

2. Existing Conditions

2.1 Site Location

- 2.1.1 The site is located in Manchester City Centre, as shown in [Figure 2.1](#), immediately adjacent to the St Ann's Square district. The Equitable Building is bound by St Ann Street to the south, Barton Square to the west and St Ann's Square to the east.

Figure 2.1 : Strategic Site Location

- 2.1.2 The Equitable Building currently consists of several retail units; they are primarily watch / jewellery stores, including David M. Robinson and Ernest Jones.
- 2.1.3 The Equitable Building is shown in [Photograph 2.1](#) and [Photograph 2.2](#).

Photograph 2.1 : Equitable Building

Photograph 2.2 : Equitable Building

2.2 Local Highway Network

2.2.1 Figure 2.2 shows the location of the site in the context of the local highway network.

Figure 2.2 : Local Highway Network

St Ann Street

- 2.2.2 St Ann Street runs in a broadly east-to-west alignment along the southern boundary of the site between Cross Street to the east and Deansgate to the west.
- 2.2.3 St Ann Street is a one-way street that is part of a Pedestrian Zone. Eastbound movements are permitted only for blue-badge holders and loading vehicles from Monday to Saturday. No Waiting is permitted at any time.
- 2.2.4 The existing conditions along St Ann Street are summarised in Table 2.1 and shown in Photograph 2.3 to Photograph 2.5.

Table 2.1 : St Ann Street – Existing Conditions

Road Classification	Unclassified	Footway Width	c.3.0m
Road Type	One-way carriageway (eastbound only)	Pedestrian Facilities	Part of Pedestrian Zone
Speed Limit	30 mph	Cycle Facilities	No
Carriageway Width	c.5.7 - 7.1m	Public Transport Provision	No
Adoption Status	Adopted	Streetlighting	Yes

Photograph 2.3 : St Ann Street – Eastbound (Loading and Disabled Bays)

Photograph 2.4 : St Ann Street – Access from Deansgate

Photograph 2.5 : St Ann Street – Eastbound from Deansgate

2.2.5 As shown above, disabled parking spaces are available on the southern side of the carriageway, and loading bays are able on the northern side. Some Saint Ann's Church permit holder spaces are also available on the southern side of the carriageway.

Barton Square

2.2.6 Barton Square runs in a broadly north-to-south alignment along the western boundary of the site. It is predominately used for service access to the adjacent buildings off Deansgate, with bin storage along its length.

2.2.7 Barton Square is also a one-way street that is part of a Pedestrian Zone. Northbound movements are permitted only for permit holders, and for loading between 06:00 and 10:30. No Waiting is permitted at any time.

2.2.8 The existing conditions along Barton Square are summarised in [Table 2.2](#) and shown in [Photograph 2.6](#).

Table 2.2 : Barton Square – Existing Conditions

Road Classification	Unclassified	Footway Width	c.1.5m
Road Type	One-way carriageway (northbound only)	Pedestrian Facilities	Part of Pedestrian Zone
Speed Limit	30 mph	Cycle Facilities	No
Carriageway Width	c.4.0m	Public Transport Provision	No
Adoption Status	Adopted	Streetlighting	Yes

Photograph 2.6 : Access to Barton Square

2.2.9 Droppable bollards are in place at the southern end of Barton Square, near St Ann Street, to restrict vehicle movements.

2.2.10 Double yellow lines are in place along both sides of entire carriageway to restrict on-street parking.

2.3 Existing Car Parks and Car Club Locations

2.3.1 Various public car parks are available within a short walking distance from the site and throughout Manchester City Centre. [Figure 2.3](#) provides a map of public car parks available within 500m (c.6-minute walk) of the Equitable Building.

2.3.2 As also shown in [Figure 2.3](#), there are various Enterprise Car Club locations within the vicinity of the site. These could be utilised by future residents at the Equitable Building.

Figure 2.3 : Car Park Map

2.3.3 MCC also provide seasonal car parking tickets (3 months, 6 months or 12 months) in some City Centre car parks, including at King Street West car park within c.180m of the Equitable building to the west.

2.4 Modal Split

2.4.1 To provide an accurate representation of the forecast modal split anticipated amongst residents, the journey to work data from the 2011 Census has been reviewed for the population living in the site area.

2.4.2 The modal split for people living in the 'Manchester 054' Middle Super Output Area (MSOA) has been examined and is summarised in [Table 2.3](#).

Table 2.3 : 2011 Census Travel to Work Data – Modal Split (Residing in ‘Manchester 054’)

Mode of Travel	Percentage
On foot	51%
Driving a car or van	18%
Bus, minibus or coach	15%
Train	7%
Underground, metro, light rail and tram	5%
Bicycle	3%
Passenger in a car or van	1%
Total	100%

2.4.3 **Table 2.3** indicates that currently 19% of people travel to work by car or van, of which 18% are drivers and 1% are passengers. The Census Data also shows that 81% of people travel to work using more sustainable modes, including 51% on foot, 15% by bus, 7% by train, and 3% by bicycle.

3. Development Proposals

3.1 Proposed Use

3.1.1 The proposed development at the Equitable Building will result in a total of 11no. additional residential units and c.620 sqm of refurbished retail floor space on the first floor. The proposals involve the following:

- A c.620 sqm expansion of David M. Robinson to the first floor, involving a refurbishment of the first floor.
- Change of use of second and third floors from retail to 11no. residential apartments.
- A roof extension to the building.
- Associated entrance foyer, plant, bin store and cycle store.

3.1.2 The proposed ground floor layout is shown in [Figure 3.1](#).

Figure 3.1 : Proposed Ground Floor Layout (source : Jeffrey Bell Architects)

3.2 Servicing and Delivery Arrangements

- 3.2.1 As existing, the main pedestrian access to the retail uses will be taken from St Ann Street. Pedestrian access to the apartment units will be taken from an entrance on the corner of St Ann Street / Barton Square, as well as via the existing courtyard from Barton Square.
- 3.2.2 Access to the cycle storage, bin store and service area will be provided via the existing courtyard to the rear of the building off Barton Square.

3.3 Parking Provision

Retail Parking

- 3.3.1 No car parking spaces are proposed for the retail space, as per the existing arrangement.
- 3.3.2 It is expected that visitors to the retail spaces within the Equitable Building will form part of a wider journey into Manchester City Centre, and therefore the number of new vehicle trips are expected to be low.
- 3.3.3 Of the new trips generated, many are expected to be undertaken via sustainable modes, including by rail or via the Metrolink network, which both have connections within a short walk of the site (further detail provided in [Chapter 4](#)).
- 3.3.4 Any increases in car parking demand are therefore expected to be minimal and will be accommodated within the existing City Centre parking provision, as outlined in [Section 2.3](#).

Residential Parking

- 3.3.5 No car parking spaces are proposed for the residential units.
- 3.3.6 Car-free residential developments in City Centres are common; as outlined in [Chapter 4](#), the site is accessible by a range of sustainable modes and is within a short walking distance of numerous amenities, including food outlets, convenience stores and cafes.
- 3.3.7 The apartments will be advertised as car-free; however, any residents who wish to bring a car can utilise the local parking options, as outlined in [Section 2.3](#).
- 3.3.8 82% (11no. spaces) cycle parking will be provided in a secure cycle store on the ground floor of the building.

4. Sustainable Accessibility and Active Travel

4.1 Introduction

- 4.1.1 Current Government policy and guidance places significant emphasis on the promotion of sustainable transport modes for all new developments. This forms part of a long-term strategy to reduce the reliance on private car trips.
- 4.1.2 The National Planning Policy Framework (NPPF), updated in December 2024, sets out the Government’s planning policies for England and how these are expected to be applied. Chapter 9 of the NPPF, ‘*Promoting Sustainable Transport*’, sets out the important role that transport issues and policies have in facilitating sustainable development.
- 4.1.3 Paragraph 110 states that: *“Significant development should be focused on locations which are or can be made sustainable, through limiting the need to travel and offering a genuine choice of transport modes. This can help to reduce congestion and emissions and improve air quality and public health. However, opportunities to maximise sustainable transport solutions will vary between urban and rural areas, and this should be considered in both plan-making and decision-making.”*
- 4.1.4 This chapter considers accessibility via sustainable modes of transport to the proposed development site, including access by public transport, cycle and on foot.

4.2 Pedestrian Accessibility

- 4.2.1 Guideline walking distances provided in the Chartered Institution of Highways and Transportation (CIHT) document ‘*Guidelines for Providing for Journeys on Foot (2000)*’, are shown in [Table 4.1](#).

Table 4.1 : CIHT Acceptable Walking Distances

Criteria	Town Centre	Commuting	Elsewhere
Desirable	200m	500m	400m
Acceptable	400m	1,000m	800m
Preferred Maximum	800m	2,000m	1,200m

- 4.2.2 The CIHT guidelines shown in [Table 4.1](#) suggest that for commuting purposes up to 500m is a desirable walking distance, up to 1,000m is considered an acceptable walking distance and 2,000m is the preferred maximum walking distance.

- 4.2.3 Appropriate walking distances are dependent upon the location of the specific development; more remote locations will see people being prepared to walk further to their end destination. Similarly, appropriate walking distances are also dependent upon the standard of existing pedestrian infrastructure provision, with further walking distances achievable in locations with extensive and high-quality pedestrian footways, crossings and pedestrianised areas.
- 4.2.4 As described previously, a network of existing footways is in place on the local highway network providing dedicated pedestrian access to nearby amenities, leisure facilities, communities, and employment areas.
- 4.2.5 **Figure 4.1** presents the local amenities and 500m and 1,000m walking catchments from the site, as specified in CIHT guidance for commuting purposes.

Figure 4.1 : Walking Catchment Area with Local Amenities

- 4.2.6 **Table 4.2** provides an indication of the distances and approximate walking times to local bus stops and local amenities. The distances have been measured from the centre of the site and the times are based on an average walking speed of 1.4 metres per second and do not allow for waiting time to cross junctions.

Table 4.2 : Local Amenities – Distances and Walking Times

Amenity	Distance	Average Walking Time
Pret A Manger Cafe	25m	<1 minute
McDonald's Restaurant	80m	1 minute
Southbound Bus Stop on Deansgate	140m	2 minutes
Westbound Bus Stop on John Dalton Street	220m	3 minutes
Eastbound Bus Stop on Bridge Street	300m	4 minutes
Westbound Bus Stop on Bridge Street	450m	5 minutes
Exchange Square Metrolink Stop	450m	5 minutes
Salford Central Rail Station	700m	8 minutes

- 4.2.7 As shown in [Figure 4.1](#), various bus stops are available on the local highway network within a 500m walking catchment, including the closest bus stop to the site on Deansgate within c.140m (2-minute walk).
- 4.2.8 Other public transport connections are available within the walking catchment. This includes the Exchange Square Metrolink stop, which is the closest Metrolink stop to the site, within c.450m (5-minute walk). Salford Central Railway Station is accessible to the west of the site within c.700m (8-minute walk).
- 4.2.9 The site's city centre location means the site is well situated in terms of access to amenities. A 500m walking catchment provides access to a wide range of shops, food outlets and cafes, including a McDonald's restaurant and a Pret A Manger café which are both adjacent to the Equitable Building.

4.3 Cycle Accessibility

- 4.3.1 As with pedestrian accessibility, the level of a site's cycle accessibility depends upon a combination of the distance from local amenities and the standard of existing cycle infrastructure. It should, however, be noted that that cycle infrastructure can include facilities shared with vehicles and pedestrians as well as dedicated cycle infrastructure.
- 4.3.2 In respect of acceptable cycle distances, 'Local Transport Note 1/20: Cycle Infrastructure Design', published by the Department for Transport (DfT), states that 'two out of every three personal trips are less than five miles in length - which is an achievable distance to cycle for most people'.
- 4.3.3 [Figure 4.2](#) indicates the cycling catchment area around the proposed development site for 2km and 5km.

Figure 4.2 : Cycle Catchment Plan

4.3.4 As shown in Figure 4.2, the suburbs of Ancoats, Lower Broughton and Strangeways are available within a 2km cycle catchment, as well as various railway stations in Manchester City Centre including Victoria, Piccadilly and Deansgate. A number of suburban areas, as well as Salford City Centre are located within a 5km cycle catchment of the site.

4.3.5 A network of local cycle routes and facilities are available in the vicinity of the site as shown in Figure 4.3.

Figure 4.3 : Local Cycle Map (source : TfGM)

4.3.6 As shown in Figure 4.3, 20 mph speed limits are in place in the vicinity of the site, which provides a safer cycling environment. There are also several cycle parking locations in the vicinity of the site that could be used by existing and future retail visitors.

4.3.7 A section of Deansgate directly to the west of the site also provide on-road segregated cycle routes on both sides of the carriageway.

4.4 Public Transport Services

Local Bus Services

4.4.1 Several bus stops are available on the local highway network within a short walk from the site. The closest bus stop to the site is located on Deansgate within a c.140m (2-minute walk).

4.4.2 Additional services are also available on John Dalton Street within c.220m (3-minute walk), as well as from Bridge Street within c.450m (5-minute walk).

4.4.3 Table 4.3 provides a summary of routes and times of local bus services accessible from these bus stops. Full bus timetables are attached in Appendix A.

Table 4.3 : Local Bus Services – Deansgate, Dalton Street and Bridge Street

Service No.	Available From	Route	Approx. Two-Way Frequency (buses / hour)				
			AM	Off-Peak	PM	Sat	Sun
1 Free Bus	Bridge Street	Manchester City Centre – Spinningfields Circular	6	6	6	6	6
8	Deansgate Bridge Street	Shudehill - Bolton	4	5	5	5	3
35	John Dalton Street Bridge Street	Piccadilly Gardens - Leigh	2	2	2	2	2
36	John Dalton Street Bridge Street	Piccadilly Gardens - Bolton	5	5	5	4	3
37	John Dalton Street Bridge Street	Piccadilly Gardens - Bolton	5	5	5	4	3
38	John Dalton Street Bridge Street	Piccadilly Gardens – Logistics North	5	4	4	4	2
50 / 51	John Dalton Street Bridge Street	MediaCityUK – East Didsbury	6	5	5	5	4
67 / 67A	Deansgate	Shudehill - Cadishead	4	4	4	4	2
100	Deansgate	Shudehill - Warrington	4	4	4	4	4
V1 / V2 / V4	John Dalton Street Bridge Street	Manchester Royal Infirmary - Leigh	10	8	4	4	4
X39	Bridge Street	Piccadilly Gardens – Farnworth	1	No Service	No Service	No Service	No Service

4.4.4 As shown in [Table 4.3](#), a wide range of regular bus services are available from the local highway network, providing direct services around the City Centre, as well as across Greater Manchester to designations such as Bolton, Leigh, Salford and East Didsbury.

4.4.5 This included the no.1 Free Bus which runs up to every 10 minutes around the city centre, as shown in [Figure 4.4](#).

Figure 4.4 : No.1 Free Bus Manchester City Centre – Route Map (source : TfGM)

free bus routes around the city centre

Rail Services

- 4.4.6 The closest rail station to the site is Salford Central Railway Station c.700m (8-minute walk) to the west of the site. It is therefore accessible within the walking catchment.
- 4.4.7 A summary of the direct rail services from Salford Central are summarised in [Table 4.4](#).

Table 4.4 : Direct Rail Services – Salford Central Station

Destination	Approx. Frequency	Approx. Journey Time
Manchester Victoria (<i>origin: Rochdale</i>)	1 service / hour	3 minutes
Manchester Victoria (<i>origin: Wigan Wallgate</i>)	1 service / hour	3 minutes
Manchester Victoria (<i>origin: Clitheroe</i>)	1 service / hour	3 minutes
Manchester Victoria (<i>origin: Headbolt Lane</i>)	1 service / hour	3 minutes
Southport <i>via Bolton and Wigan Wallgate</i>	1 service / hour	1 hour 15 minutes
Rochdale <i>via Manchester Victoria (origin: Blackburn)</i>	1 service / hour	25 minutes
Rochdale <i>via Manchester Victoria (origin: Wigan Wallgate)</i>	1 service / hour	20 minutes
Rochdale <i>via Manchester Victoria (origin: Clitheroe)</i>	1 service / hour	25 minutes
Rochdale <i>via Manchester Victoria (origin: Headbolt Lane)</i>	1 service / hour	20 minutes
Headbolt Lane <i>via Wigan Wallgate</i>	1 service / hour	1 hour 10 minutes
Stalybridge <i>via Manchester</i>	1 service / hour	20 minutes
Clitheroe <i>via Bolton and Blackburn</i>	1 service / hour	1 hour 15 minutes
Wigan Wallgate <i>via Walkden</i>	1 service / hour	40 minutes

4.4.8 As shown in **Table 4.4**, there are a range of frequent (hourly) rail services available from Salford Central providing direct rail access to destinations across Greater Manchester, including Rochdale, Wigan and Stalybridge, as well as further afield. These services also provide access to local stations along each respective route, including to Manchester Victoria.

4.4.9 This demonstrates the site's accessibility by rail, particularly as an alternative to private car trips for commuting or leisure, or as part of a multi-modal journey.

Metrolink Services

4.4.10 The nearest Metrolink Stop located at Exchange Square, c.450m north the site.

4.4.11 The regular Metrolink services which operate here are:

- Grey Line (Shaw and Crompton – East Didsbury); and
- Pink Line (Rochdale – East Didsbury);

4.4.12 **Figure 4.5** presents the Greater Manchester Metrolink Tram network.

Figure 4.5 : Metrolink Tram Network (source: TfGM)

4.4.13 The trams services available operate on a 12-minute frequency throughout the day. All tram stops have step-free access to all platforms, help points and security camera coverage.

5. Overarching Aim, Objectives and Benefits

5.1 Overarching Aim

- 5.1.1 The overarching aim of this TP is to put in the place the management tools deemed necessary to enable residents to make informed decisions about how they travel to the site, which at the same time minimises the adverse impacts of travel on the environment. This aim is achieved by setting out a strategy for eliminating barriers that keep residents from making use of sustainable modes.
- 5.1.2 Improving transport choices available to people, rather than focusing on providing for the private car, will lead to a more equitable and sustainable development. It will also provide travel options for all the site users, regardless of whether they own a car or not.

5.2 Objectives

- 5.2.1 The transport principles for the site reflect sustainable objectives which can be summarised under the following headings:
- Promoting sustainable and active travel to the site for all residents.
 - Promoting accessibility to the site by walking, cycling, public transport and car sharing.
 - Increasing the awareness of the environmental and social benefits of using alternative modes of transport.
- 5.2.2 It is intended that the objectives of this TP will be met by identifying and implementing initiatives that provide future residents and visitors with a variety of travel choices and, in doing so, reduce the need to travel by private car.

5.3 Travel Plan Benefits

- 5.3.1 The overall travel plan strategy will include physical measures designed to enhance the sustainable transport linkages at the site, travel awareness initiatives and other measures to assist in the achievement of the objectives of the TP.
- 5.3.2 The proposed monitoring strategy that will be adopted for the site to determine how the TP is performing against these objectives is set out later in this report.
- 5.3.3 The TP will incur different benefits, to different groups / individuals:

Resident Benefits

- 5.3.4 By meeting the objectives, the TP will bring about the following benefits to residents:
- Health benefits associated with walking and cycling, including reduced levels of stress.

- The opportunity to save money using alternative modes of travel to the car.
- Improved quality and reliability of journeys to and from home and work.
- Create a pedestrian / cyclist friendly environment.

5.3.5 Figure 5.1 shows the benefits of increases active travel across Greater Manchester.

Figure 5.1 : Benefits of Active Travel in Greater Manchester (source : Sustrans)

Social Benefits - Wider Community Benefits

5.3.6 By meeting the objectives, the TP will bring about the following social community benefits:

- On-going reductions in vehicular generated traffic on the local highway network.
- Increasing patronage on existing public transport modes.
- Health benefits associated with walking and cycling.
- A contribution to reduced traffic, congestion, air pollution and accidents.
- Improving accessibility and travel choice for reaching local facilities.

Environmental Benefits

- 5.3.7 Data from the Department for Business, Energy and Industrial Strategy shows that domestic transport is the greatest-emitting sector in the UK (27% in 2019). The main source is the use of petrol and diesel, particularly for passenger cars. How people travel will therefore play a large role in the UKs, and Greater Manchester's, journey to net zero.
- 5.3.8 A Clean Air Plan is being developed by the 10no. Greater Manchester local authorities to tackle air pollution. Several measures have been proposed, including the provision of a Clean Air Zone (CAZ) to charge non-compliant vehicles. At the time of writing, the scheme has not been finalised.
- 5.3.9 In 2021, TfGM published the 2040 Vision for Transport, to deliver a transport system which enables residents, businesses and visitors in Greater Manchester to travel to a wide range of different destinations and opportunities, and where sustainable transport can be a viable and attractive alternative to the car.
- 5.3.10 The 2040 Vision for Transport is aiming for 90% of morning peak trips into the City Centre to be made by sustainable modes by 2040. The travel planning process can support this aim by encouraging active and sustainable travel behaviour.
- 5.3.11 Therefore, encouraging people to make sustainable choices in the way they travel will considerably reduce the impact that a development has on the environment.

Health Benefits

- 5.3.12 A reduction in car use will contribute to improved air quality, which in turn will propose health benefits. There are also numerous direct health benefits associated with active travel (walking and cycling).
- 5.3.13 The NHS advise that adults undertake at least 150 minutes of moderate intensity activity a week, or 75 minutes of intense activity. [Figure 5.2](#) shows that whilst most adults meet this recommendation, a large amount do not. Active travel therefore presents an easy and convenient way to incorporate more activity in the adult daily life.

Figure 5.2 : Activity Levels Amongst Adults (source : Active Lives Adult Survey Nov 2018/19)

5.3.14 Public Health England published an edition of 'Health Matters' in 2018 with a focus on air pollution, noting that poor air quality is the largest environmental health risk in the UK; it showed that road transport contributes 33.6% and 12.4% of all nitrogen dioxide and particulate matter emissions respectively. Their effects include the exacerbation of asthma, coughing and wheezing in the short-term, and lung cancer, respiratory conditions and strokes in the long term, amongst many others.

5.3.15 Moderate activity, including walking and cycling can prevent / reduce the risk of various health problems; including, but not limited to, cancer, obesity, diabetes, strokes, mental health issues and high blood pressure. Further impacts of different travel modes on public health are shown in [Figure 5.3](#).

5.3.16 The implementation of TPs therefore has a large scope to improve the health of those who they target.

Figure 5.3 : Impact of Travel Behaviour on Public Health (source : Public Health England)

Financial Benefits

- 5.3.17 Financial gains are also to be made through increased active travel (physical inactivity was thought to have cost the NHS £455 million in 2013-14), as well as public transport, that may present itself as a more affordable alternative to car ownership or regular car use.
- 5.3.18 Individuals can save money by choosing the most appropriate sustainable mode of travel to themselves, instead of using a private car. Such transitions and choices are made easier by the provision of an effective TP.

6. Travel Plan Targets

6.1 Mode Share Targets

- 6.1.1 Based on Journey to Work Census data, currently only 18% of residents travel to work by single-occupancy vehicle; due to its City Centre location, single-occupancy vehicles (SOV) are already relatively low.
- 6.1.2 The aim of the TP is to reduce the number of trips undertaken by SOV, by encouraging sustainable modes. A 10% uplift in sustainable travel is usually encouraged over a 5-year period as part of a TP; however, due to the low number of SOV trips (18%), it is recognised that a 10% may not be achievable.
- 6.1.3 Active Travel England have an aim for 50% of all journeys in towns and cities to be via walking or cycling by 2030. As presented in [Table 2.3](#), journey to work data for this location confirms that 54% of journeys are already being made by walking or cycling; therefore, it is anticipated that the proposed development will already be ahead of national targets for sustainable travel.
- 6.1.4 The TP will therefore endeavour to increase the number of trips made by sustainable modes as much as possible.

7. Travel Plan Strategy

7.1 Marketing

7.1.1 Residents will be made aware of the existence of the TP upon commencement of their residence at the Equitable Building. The following methods could be used as a means of disseminating information to residents as well as promoting events / campaigns / promotions:

- Notice boards;
- Resident newsletters (where possible);
- Residents' Travel Pack; and/or
- E-groups and forums.

8. Travel Plan Measures

8.1 Overview

8.1.1 This section of the report will outline the specific physical and management measures which should be undertaken as part of the TP.

8.2 Promotion and Marketing

8.2.1 Residents will be made aware of the existence of the TP upon commencement of their residence at the Equitable Building. The following methods could be used as a means of disseminating information to residents as well as promoting events / campaigns / promotions:

- Using notice boards to promote the TP;
- Resident newsletters (where possible);
- The TP will be presented and promoted to residents as an opportunity and possibly a challenge rather than as a chore;
- Residents at the site will be provided with a Travel Pack upon moving in. This pack will inform residents of the information that they need to make an informed choice with regards to their travel options;
- E-groups and forums; and
- Other means of promoting the TP will also be investigated.

8.3 Travel Pack

8.3.1 A Travel Pack will be provided to each new resident once they begin their residence.

8.3.2 The Travel Pack will inform residents of the TP and would contain some or all of the following information:

- Location of nearest bus stops and train station(s);
- Up to date local bus timetables;
- Maps showing safe walking routes to the nearest key facilities including bus stops and train stations;
- Maps showing safe cycling routes to the site;
- Promotional material highlighting the health and financial benefits of walking and cycling;
- Promotion events, where applicable;

- Details of trip planning apps;
- Details of national websites such as <https://www.enterprise.co.uk/en/home.html>;
- Details of car share services such as <https://liftshare.com/uk>;
- Details of websites such as <https://www.routeyou.com/en-gb/route/planner/2/walking-route-planner> which provides a free online walking journey planner;
- Details of journey planning websites such as <https://www.traveline.info/>; and
- Details of websites and apps where you can get the next departures from any bus stop sent to your mobile phone.

8.4 Encouraging Walking

8.4.1 In order to encourage walking at the site, residents will receive information and advice concerning safe pedestrian routes to and from the site to local amenities, and public transport links. They will also be encouraged to walk by promoting the benefits which include health, reduction in stress, cost and environmental friendliness.

8.4.2 The following websites can be accessed to plan safe walking routes:

- <https://www.google.co.uk/maps>
- <https://www.livingstreets.org.uk/>
- <https://www.routeyou.com/>
- <https://beeactive.tfgm.com/walking/>

8.5 Encouraging Cycling

8.5.1 Cycling will also be promoted to residents. This may be through the provision of details regarding local cycle routes and facilities and other relevant information such as bicycle purchase/repair.

8.5.2 The following websites can be used to find information on local cycle routes, groups and further information of cycling around Manchester:

- https://www.manchester.gov.uk/info/500356/active_travel/6850/cycling/2
- <https://beeactive.tfgm.com/cycling/>
- <https://beeactive.tfgm.com/cycling/cycling-for-beginners-start-riding/>

8.6 Promoting Public Transport

- 8.6.1 The promotion of walking and cycling will encourage residents to adopt these modes, but for those travelling further from the development site, public transport provides a more suitable alternative to the private car. A lack of awareness of the facilities available is often cited as a reason for not using public transport facilities.
- 8.6.2 Public transport information would be displayed prominently on any notice boards and will be kept up to date.
- 8.6.3 TfGM has deployed the initial phases of the Bee Network across Greater Manchester, with the aim of creating a more integrated public transport and active travel network. The following websites can be used to view information about the Bee Network, including live departures, ticketing information and travel alerts, as well as a journey planner:
- <https://tfgm.com/> - information
 - <https://tfgm.com/tickets-and-passes/ways-to-pay/bee-network-mobile-app> - download the app
- 8.6.4 The following websites can be used to access timetables and ticketing information regarding local services in the vicinity of the site and across Manchester City Centre:

Local Buses

- <https://tfgm.com/public-transport/bus>
- <https://www.gonorthwest.co.uk/>
- <https://www.stagecoachbus.com/>

Metrolink

- <https://tfgm.com/public-transport/tram>
- <https://tfgm.com/public-transport/tram/tram-schedule>
- <https://tfgm.com/live-updates>

Rail

- <https://www.thetrainline.com/>
- <https://www.traveline.info/>

8.7 Promoting Car Sharing and Car Hire

8.7.1 Car sharing represents a convenient and alternative form of travel with significant potential to reduce the total private car mileage and car parking demand.

8.7.2 The principal benefits associated with the introduction of a car sharing scheme are considerable and include:

- Reduced travel costs – drivers and passengers can split the costs of travel;
- Improved access – to areas which aren't accessible through public transport;
- Meet new people – sharing a car is a great way to meet colleagues, friends and neighbours;
- Reduced congestion – by sharing cars you can do your bit to help reduce congestion in the area;
- Reduced pollution – cutting congestion will also help to reduce pollution; and
- Reduced CO₂ emissions – which in turn will help to reduce the development of global warming.

8.7.3 Residents will be provided with details of publicly accessible databases and websites that provide the opportunity for people to car share in the wider area. These may include:

- <https://liftshare.com/uk/search/from/manchester-united-kingdom>
- <https://www.blablacar.co.uk/ride-sharing/manchester>

8.8 Car Alternatives

8.8.1 It is understood that sometimes access by car is necessary. Residents and visitors will also be provided the details of local minicab/ taxi firms as necessary.

9. Action Plan

9.1.1 The key actions detailed within this TP will be ongoing. All actions are directed at influencing travel patterns to achieve the greatest number of trips made by sustainable modes as possible.

9.1.2 The main actions for the TP will be:

- Promotion of the residential units as car-free to potential residents.
- Provision of sustainable travel information to residents.
- General promotion of sustainable travel opportunities and measures to residents.
- Monitor usage of internal cycle parking.

Transport for
Greater Manchester

This timetable is also available at **beenetwork.com**

For information about using public transport phone our friendly team on **0161 244 1000** 7am – 8pm Mon to Fri 8am – 8pm Sat, Sun and public holidays or download the Bee Network app

Other formats

To ask for leaflets to be sent to you, or to request large print, Braille or recorded information phone **0161 244 1000** or visit **beenetwork.com**

Easy access on buses

All buses have no steps at the entrance, making getting on and off easier. Low floor buses have a ramp for access and a dedicated space for wheelchairs and pushchairs inside the bus. Ask the driver for any assistance you require.

Using this timetable

Timetables show the direction of travel, bus numbers and the days of the week. Main stops on the route are listed on the left. Where no time is shown against a particular stop, it means the bus does not stop there on that journey.

Check any letters which are shown in the timetable against the key at the bottom of the page.

Where to find information about service changes

Visit **beenetwork.com** or download the Bee Network app.

Check the service change posters displayed in the bus station or pick up a service change leaflet from your local library, town hall, shops, post office, community centre and lots of other places.

Lost property

For lost property information visit **beenetwork.com/lost-property**

Using the 24 hour clock

Times are shown in four figures. The first two are the hour and the last two are the minutes.

0753 is 53 minutes past 7am morning.

1953 is 53 minutes past 7pm evening.

Information and tickets

There's a range of tickets to use on buses and multi-modal tickets for buses, trams and trains. For more information on which is the best ticket for you, visit **beenetwork.com**, download the Bee Network app or call into one of our information and ticket offices in bus stations where the team will provide you with journey planning advice on buses, trams and trains.

Transport for
Greater Manchester

This timetable is also available at **beenetwork.com**

For information about using public transport phone our friendly team on **0161 244 1000** 7am – 8pm Mon to Fri 8am – 8pm Sat, Sun and public holidays or download the Bee Network app

Other formats

To ask for leaflets to be sent to you, or to request large print, Braille or recorded information phone **0161 244 1000** or visit **beenetwork.com**

Easy access on buses

All buses have no steps at the entrance, making getting on and off easier. Low floor buses have a ramp for access and a dedicated space for wheelchairs and pushchairs inside the bus. Ask the driver for any assistance you require.

Using this timetable

Timetables show the direction of travel, bus numbers and the days of the week. Main stops on the route are listed on the left. Where no time is shown against a particular stop, it means the bus does not stop there on that journey.

Check any letters which are shown in the timetable against the key at the bottom of the page.

Where to find information about service changes

Visit **beenetwork.com** or download the Bee Network app.

Check the service change posters displayed in the bus station or pick up a service change leaflet from your local library, town hall, shops, post office, community centre and lots of other places.

Lost property

For lost property information visit **beenetwork.com/lost-property**

Using the 24 hour clock

Times are shown in four figures. The first two are the hour and the last two are the minutes.

0753 is 53 minutes past 7am morning.

1953 is 53 minutes past 7pm evening.

Information and tickets

There's a range of tickets to use on buses and multi-modal tickets for buses, trams and trains. For more information on which is the best ticket for you, visit **beenetwork.com**, download the Bee Network app or call into one of our information and ticket offices in bus stations where the team will provide you with journey planning advice on buses, trams and trains.

Transport for
Greater Manchester

This timetable is also available at **beenetwork.com**

For information about using public transport phone our friendly team on **0161 244 1000** 7am – 8pm Mon to Fri 8am – 8pm Sat, Sun and public holidays or download the Bee Network app

Other formats

To ask for leaflets to be sent to you, or to request large print, Braille or recorded information phone **0161 244 1000** or visit **beenetwork.com**

Easy access on buses

All buses have no steps at the entrance, making getting on and off easier. Low floor buses have a ramp for access and a dedicated space for wheelchairs and pushchairs inside the bus. Ask the driver for any assistance you require.

Using this timetable

Timetables show the direction of travel, bus numbers and the days of the week. Main stops on the route are listed on the left. Where no time is shown against a particular stop, it means the bus does not stop there on that journey.

Check any letters which are shown in the timetable against the key at the bottom of the page.

Where to find information about service changes

Visit **beenetwork.com** or download the Bee Network app.

Check the service change posters displayed in the bus station or pick up a service change leaflet from your local library, town hall, shops, post office, community centre and lots of other places.

Lost property

For lost property information visit **beenetwork.com/lost-property**

Using the 24 hour clock

Times are shown in four figures. The first two are the hour and the last two are the minutes.

0753 is 53 minutes past 7am morning.

1953 is 53 minutes past 7pm evening.

Information and tickets

There's a range of tickets to use on buses and multi-modal tickets for buses, trams and trains. For more information on which is the best ticket for you, visit **beenetwork.com**, download the Bee Network app or call into one of our information and ticket offices in bus stations where the team will provide you with journey planning advice on buses, trams and trains.

Information and tickets office

Greater Manchester

This timetable is also available at **beenetwork.com**

For information about using public transport phone our friendly team on **0161 244 1000** 7am – 8pm Mon to Fri 8am – 8pm Sat, Sun and public holidays or download the Bee Network app

Other formats

To ask for leaflets to be sent to you, or to request large print, Braille or recorded information phone **0161 244 1000** or visit **beenetwork.com**

Easy access on buses

All buses have no steps at the entrance, making getting on and off easier. Low floor buses have a ramp for access and a dedicated space for wheelchairs and pushchairs inside the bus. Ask the driver for any assistance you require.

Using this timetable

Timetables show the direction of travel, bus numbers and the days of the week. Main stops on the route are listed on the left. Where no time is shown against a particular stop, it means the bus does not stop there on that journey.

Check any letters which are shown in the timetable against the key at the bottom of the page.

Where to find information about service changes

Visit **beenetwork.com** or download the Bee Network app.

Check the service change posters displayed in the bus station or pick up a service change leaflet from your local library, town hall, shops, post office, community centre and lots of other places.

Lost property

For lost property information visit **beenetwork.com/lost-property**

Using the 24 hour clock

Times are shown in four figures. The first two are the hour and the last two are the minutes.

0753 is 53 minutes past 7am morning.

1953 is 53 minutes past 7pm evening.

Information and tickets

There's a range of tickets to use on buses and multi-modal tickets for buses, trams and trains. For more information on which is the best ticket for you, visit **beenetwork.com**, download the Bee Network app or call into one of our information and ticket offices in bus stations where the team will provide you with journey planning advice on buses, trams and trains.

Additional information

Alternative format

To ask for leaflets to be sent to you, or to request large print, Braille or recorded information phone 0161 244 1000 or visit beenetwork.com

Easy access on buses

Journeys run with low floor buses have no steps at the entrance, making getting on and off easier. Where shown, low floor buses have a ramp for access and a dedicated space for wheelchairs and pushchairs inside the bus. The bus operator will always try to provide easy access services where these services are scheduled to run.

Using this timetable

Timetables show the direction of travel, bus numbers and the days of the week. Main stops on the route are listed on the left. Where no time is shown against a particular stop, the bus does not stop there on that journey. Check any letters which are shown in the timetable against the key at the bottom of the page.

Where to find information about service changes

beenetwork.com
Bus station posters
Leaflets from outlets.

Tickets and information

Bus companies offer a range of tickets for use on their own buses. For travel on any service in the County, visit beenetwork.com. Information and tickets offices provide tickets, information and journey planning advice on buses, trains and trams for work and pleasure.

Using the 24 hour clock

Times are shown in four figures. The first two are the hour and the last two are the minutes.

0753 is 53 minutes past 7am
1953 is 53 minutes past 7pm

Operated by
Stagecoach

Additional information

Alternative format

To ask for leaflets to be sent to you, or to request large print, Braille or recorded information phone 0161 244 1000 or visit www.tfgm.com

Easy access on buses

Journeys run with low floor buses have no steps at the entrance, making getting on and off easier. Where shown, low floor buses have a ramp for access and a dedicated space for wheelchairs and pushchairs inside the bus. The bus operator will always try to provide easy access services where these services are scheduled to run.

Using this timetable

Timetables show the direction of travel, bus numbers and the days of the week. Main stops on the route are listed on the left. Where no time is shown against a particular stop, the bus does not stop there on that journey. Check any letters which are shown in the timetable against the key at the bottom of the page.

Where to find information about service changes

www.tfgm.com

Bus station posters

Leaflets from outlets.

Tickets and information

Bus companies offer a range of tickets for use on their own buses. For travel on any service in the County, use System One tickets, including DaySaver. Travelshops provide tickets, information and journey planning advice on buses, trains and trams for work and pleasure.

Using the 24 hour clock

Times are shown in four figures. The first two are the hour and the last two are the minutes.

0753 is 53 minutes past 7am

1953 is 53 minutes past 7pm

8am – 8pm Sat, Sun & public holidays

This timetable is also available at **beenetwork.com**

For information about using public transport phone our friendly team on **0161 244 1000** 7am – 8pm Mon to Fri 8am – 8pm Sat, Sun and public holidays or download the Bee Network app

Other formats

To ask for leaflets to be sent to you, or to request large print, Braille or recorded information phone **0161 244 1000** or visit **beenetwork.com**

Easy access on buses

All buses have no steps at the entrance, making getting on and off easier. Low floor buses have a ramp for access and a dedicated space for wheelchairs and pushchairs inside the bus. Ask the driver for any assistance you require.

Using this timetable

Timetables show the direction of travel, bus numbers and the days of the week. Main stops on the route are listed on the left. Where no time is shown against a particular stop, it means the bus does not stop there on that journey.

Check any letters which are shown in the timetable against the key at the bottom of the page.

Where to find information about service changes

Visit **beenetwork.com** or download the Bee Network app.

Check the service change posters displayed in the bus station or pick up a service change leaflet from your local library, town hall, shops, post office, community centre and lots of other places.

Lost property

For lost property information visit **beenetwork.com/lost-property**

Using the 24 hour clock

Times are shown in four figures. The first two are the hour and the last two are the minutes.

0753 is 53 minutes past 7am morning.

1953 is 53 minutes past 7pm evening.

Information and tickets

There's a range of tickets to use on buses and multi-modal tickets for buses, trams and trains. For more information on which is the best ticket for you, visit **beenetwork.com**, download the Bee Network app or call into one of our information and ticket offices in bus stations where the team will provide you with journey planning advice on buses, trams and trains.

Transport for
Greater Manchester

This timetable is also available at **beenetwork.com**

For information about using public transport phone our friendly team on **0161 244 1000** 7am – 8pm Mon to Fri 8am – 8pm Sat, Sun and public holidays or download the Bee Network app

Other formats

To ask for leaflets to be sent to you, or to request large print, Braille or recorded information phone **0161 244 1000** or visit **beenetwork.com**

Easy access on buses

All buses have no steps at the entrance, making getting on and off easier. Low floor buses have a ramp for access and a dedicated space for wheelchairs and pushchairs inside the bus. Ask the driver for any assistance you require.

Using this timetable

Timetables show the direction of travel, bus numbers and the days of the week. Main stops on the route are listed on the left. Where no time is shown against a particular stop, it means the bus does not stop there on that journey.

Check any letters which are shown in the timetable against the key at the bottom of the page.

Where to find information about service changes

Visit **beenetwork.com** or download the Bee Network app.

Check the service change posters displayed in the bus station or pick up a service change leaflet from your local library, town hall, shops, post office, community centre and lots of other places.

Lost property

For lost property information visit **beenetwork.com/lost-property**

Using the 24 hour clock

Times are shown in four figures. The first two are the hour and the last two are the minutes.

0753 is 53 minutes past 7am morning.

1953 is 53 minutes past 7pm evening.

Information and tickets

There's a range of tickets to use on buses and multi-modal tickets for buses, trams and trains. For more information on which is the best ticket for you, visit **beenetwork.com**, download the Bee Network app or call into one of our information and ticket offices in bus stations where the team will provide you with journey planning advice on buses, trams and trains.

Greater Manchester

This timetable is also available at **beenetwork.com**

For information about using public transport phone our friendly team on **0161 244 1000** 7am – 8pm Mon to Fri 8am – 8pm Sat, Sun and public holidays or download the Bee Network app

Other formats

To ask for leaflets to be sent to you, or to request large print, Braille or recorded information phone **0161 244 1000** or visit **beenetwork.com**

Easy access on buses

All buses have no steps at the entrance, making getting on and off easier. Low floor buses have a ramp for access and a dedicated space for wheelchairs and pushchairs inside the bus. Ask the driver for any assistance you require.

Using this timetable

Timetables show the direction of travel, bus numbers and the days of the week. Main stops on the route are listed on the left. Where no time is shown against a particular stop, it means the bus does not stop there on that journey.

Check any letters which are shown in the timetable against the key at the bottom of the page.

Where to find information about service changes

Visit **beenetwork.com** or download the Bee Network app.

Check the service change posters displayed in the bus station or pick up a service change leaflet from your local library, town hall, shops, post office, community centre and lots of other places.

Lost property

For lost property information visit **beenetwork.com/lost-property**

Using the 24 hour clock

Times are shown in four figures. The first two are the hour and the last two are the minutes.

0753 is 53 minutes past 7am morning.

1953 is 53 minutes past 7pm evening.

Information and tickets

There's a range of tickets to use on buses and multi-modal tickets for buses, trams and trains. For more information on which is the best ticket for you, visit **beenetwork.com**, download the Bee Network app or call into one of our information and ticket offices in bus stations where the team will provide you with journey planning advice on buses, trams and trains.

This timetable is also available at **beenetwork.com**

For information about using public transport phone our friendly team on **0161 244 1000** 7am – 8pm Mon to Fri 8am – 8pm Sat, Sun and public holidays or download the Bee Network app

Other formats

To ask for leaflets to be sent to you, or to request large print, Braille or recorded information phone **0161 244 1000** or visit **beenetwork.com**

Easy access on buses

All buses have no steps at the entrance, making getting on and off easier. Low floor buses have a ramp for access and a dedicated space for wheelchairs and pushchairs inside the bus. Ask the driver for any assistance you require.

Using this timetable

Timetables show the direction of travel, bus numbers and the days of the week. Main stops on the route are listed on the left. Where no time is shown against a particular stop, it means the bus does not stop there on that journey.

Check any letters which are shown in the timetable against the key at the bottom of the page.

Where to find information about service changes

Visit **beenetwork.com** or download the Bee Network app.

Check the service change posters displayed in the bus station or pick up a service change leaflet from your local library, town hall, shops, post office, community centre and lots of other places.

Lost property

For lost property information visit **beenetwork.com/lost-property**

Using the 24 hour clock

Times are shown in four figures. The first two are the hour and the last two are the minutes.

0753 is 53 minutes past 7am morning.

1953 is 53 minutes past 7pm evening.

Information and tickets

There's a range of tickets to use on buses and multi-modal tickets for buses, trams and trains. For more information on which is the best ticket for you, visit **beenetwork.com**, download the Bee Network app or call into one of our information and ticket offices in bus stations where the team will provide you with journey planning advice on buses, trams and trains.
