Dear Shuja,

Re: Condition 6 - SECURED BY DESIGN (SBD) – 7 no. Residential Houses at 490, 492 & 496 Claremont Rd and 7, 9, 11 & 13 Victory St, Manchester.

Following the site inspection and the identification of the relevant components I am confident that the security of the development is of a standard to which the Secured by Design condition of your planning permission can be discharged.

Yours faithfully,

M Granelli
