Dimensions are provided for various sections: Kitchen (4100 x 3000), Living Room (3000 x 3000), Office (3000 x 1200), Workshop (1100 x 3000), and Bedroom 3 (3000 x 3000). The plan also indicates a staircase and a boundary line.

PROPOSED ROOF PLAN

Architectural drawing of a building facade. The structure is composed of two main parts: a lower brick section and an upper section with horizontal siding. The brick section features a large multi-paned window, a central door with a transom, and a small side window. The upper section is a flat roof or a large overhang. A vertical dimension line on the right indicates the height of the brick section, labeled 'GF' (Ground Floor).

A line drawing of a house with a brick wall and a chimney. The house has a gabled roof and a chimney on the right side. The wall is made of bricks, and the chimney is also made of bricks. The house is shown from a side-on perspective.

A diagram of a house with a gable roof. The roof is yellow with a black outline. The walls are yellow with a brick pattern. A chimney is located on the roof. The house is shown from a side-on perspective.
