## Reason for Lawful Development Certificate

Please indicate why you are applying for a lawful development certificate

- ☒ An existing use
- ☐ Existing building works
- ☐ An existing use, building work or activity in breach of a condition

**Being a use, building works or activity which is still going on at the date of this application.**

If Yes, to either 'an existing use' or 'an existing use in breach of a condition', please select the relevant Use Class.

E(b) - Sale of food and drink for consumption mostly on the premises

## Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

The ground floor has been in commercial use since at least 2008, as evidenced by Google Maps, initially operating as a white goods retail shop. Around 2019, the premises transitioned into a restaurant, and in 2024, it became a café/restaurant, all within the same use class. The proposed use will remain as a restaurant under new leaseholders/tenants.

## Grounds for application for a Lawful Development Certificate

Under what grounds is the certificate being sought

- ☒ The use began more than 10 years before the date of this application
- ☐ The use, building works or activity in breach of condition began more than 10 years before the date of this application
- ☐ The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years
- ☐ The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.
- ☐ The use as a single dwelling house began more than four years before the date of this application
- ☐ Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation?

- ☐ Yes  
☒ No

Please state why a Lawful Development Certificate should be granted

A **Lawful Development Certificate (LDC)** should be granted because the use of the premises has remained within the same use class throughout its operation. Since at least 2008, the ground floor was used as a white goods retail shop, which later changed to a restaurant around 2019 and then to a café/restaurant in 2024. These changes have all occurred within the same **Use Class E (Commercial, Business, and Service)** under the Town and Country Planning (Use Classes) Order.

As there has been continuous lawful use without any unauthorised change of use, the proposed continued operation as a restaurant under new leaseholders/tenants does not constitute a material change requiring planning permission. Therefore, the LDC should be granted to confirm the lawfulness of the existing and proposed use.

## Information in support of a Lawful Development Certificate

☒ No

## Site Visit

- ☒ Yes  
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☐ The agent  
☒ The applicant

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff  
(b) an elected member  
(c) related to a member of staff  
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes  
☒ No
