Manchester City Council are not satisfied that on 10 January 2025 the use/operations described in the First Schedule in respect of the land specified in the Second Schedule and more particularly identified on the plan attached to this certificate edged in red, was lawful within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1) The proposed rear dormer, as shown on drawings 1358-02-03-02 and 1358-02-04-02 does not constitute permitted development. The proposal fails to comply with Part 1, Schedule 2, Class B.2(a) of the Town and Country Planning (General Permitted Development) Order 2015 (as amended), as the dark grey cladding and dark grey uPVC windows are not of a similar appearance to the materials used in the construction of the exterior of the existing dwellinghouse.
