Part 1 – Particulars of the application/development

Proposal: Erection of two second floor rear dormers and two storey rear extension to form ground floor office extension and 1no. flat above

Location: 117A Withington Road, Manchester, M16 8EE

Date of application: 22 November 2024

Application number: 141416/FO/2024

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have communicated their concerns about this proposal to the applicant during the course of the planning application, but these concerns cannot be overcome by the submission of a revised proposal. The proposal is considered to be contrary to the development plan and therefore refused in a timely manner.

Reason(s) for decision

1) Having regard to the prevailing pattern of development found in the area, the proposed two storey rear extension by reason of the scale, siting, design and prominent location would have a detrimental impact on the character of the host property and Whalley Range Conservation area. The proposed development is therefore contrary to the provisions of Places for Everyone policy JP-P2, Core Strategy policies DM1, SP1 and EN3 and saved Unitary Development Plan policy DC18.
