Proposed front garden plan

Front of Property :

- Remove existing fence & install with 1500mm high close boarded double sided vertical fencing with concrete posts & gravel boards.
- Excavate ground to front drive & construct a hard standing from front of house to fence. Remove single gate & install double gates to new driveway.
- Drop kerb to be installed by Manchester Highways after the hard standing is completed.

Side of Property :

- Remove existing fence & install with 1800mm high close boarded double sided vertical fencing with concrete posts & gravel boards .
