Departure from Development Plan: No

Environmental Statement: Not required

Description of site/building

The site relates to a part 6, part 10 storey building with a 5-storey link building comprising of residential apartments with ground floor commercial space for 4 units (use classes A1, A2, A3, B1 and D1 as approved under application ref: 116190/FO/2017. The site is bounded by Upper Kirby Street, Old Mill Street, the Ashton Canal Basin and the Lampwick Canal Arm. The site falls within the Ancoats and New Islington Neighbourhood Development Framework. The proposal relates to the northernmost unit of the ground floor commercial arcade which faces onto Old Mill Street. The Grade II-listed Ancoats Dispensary building is adjacent to the development the unit sits within.

Listed building: Not applicable

Conservation area: Not applicable

Tree Preservation Order: Not applicable

Description of area

The area relates to New Islington, an area on the periphery of Manchester's City Centre. The character of the area is largely residential, with active ground floor commercial units on many buildings. Most of the buildings surrounding the site are relatively new, having been constructed since the turn of the millennium, standing in stark contrast to the largely historic mill and warehouse buildings that characterise the Ancoats neighbourhood directly adjacent westwards to New Islington.

Description of development

The proposal relates to the installation of two mechanical vents to the frontage of the unit. The vents will be situated behind a grey anodised aluminium decorative cover.

Consultations & Notification Responses

Publicity - a notice was displayed on site informing passers-by of the development. Letters were sent to surrounding occupiers notifying them of the development. No representations have been received as a result of this publicity.

Environmental Health - no objections, conditions regarding acoustic insulation, refuse, plant noise, hours, fumes and odours requested. These are covered by the master permission for the development (141653/FO/2024) and so will need to be addressed through a discharge of these conditions as this application relates to elevational alterations only.

MCC Highways Services - no objections, does not impinge upon adopted highway.

Issues

The main policies that relate to this application are DM1 (Development Management), SP1 (Spatial Principles), EN1 (Design Principles and Strategic Character Areas), EN3 (Heritage), CC9 (Design and Heritage) of the Manchester Core Strategy (2012), saved policies DC19 (Listed Buildings) and DC26 of the Unitary Development Plan for Manchester (1995).

Principle of development

The proposed kitchen extract vents are required for the unit to be able to operate as a food and drink establishment. The proposed material alterations to the shop front are considered to be acceptable and as such the principle of the development accords with Core Strategy policy SP1 and DM1.

Impact on visual amenity

The proposed ventilation/extract terminals would be hidden behind a grey anodised aluminium decorative cover. This cover mirrors the appearance and design of the existing building and mimics the design of those previously approved under application reference 140657/FO/2024 and as such raises no concern to visual amenity of the building or immediate street scene. A sample of the screen will be required by a condition attached to this approval.

Given the above, it is considered that the proposed development has minimal impact on the surrounding area and host building in terms of the design, scale, and appearance and is therefore, in accordance with policies SP1 and DM1 of the Manchester Core Strategy (2012).

Impact on adjacent listed building

The unit can be viewed within the setting of the Grade II listed Ancoats Dispensary when looking northwards along Old Mill Street. The elevational alterations do form a modern intervention within this setting. However, by virtue of their location on a much larger elevation of a modern development, the overall visual impact would be negligible - on the basis that the new ventilation screens to be installed are of a high quality that does not detract from the appearance of the wider Lampwick Quay building. As above, this shall be secured via a condition attached to this approval. Subject to the discharge of this condition, it is considered that their installation would not create harm to the setting of the listed building.

Given the above, it is considered that there are no heritage concerns that would warrant a refusal and hence the application is considered to accord with the guidance contained within

policies EN3 and CC9 of the Manchester Core Strategy (2012) and saved policy DC19 of the Unitary Development Plan for Manchester (1995).

Impact on residential amenity

The proposed ventilation system has the potential to cause disamenity to the occupiers of the apartments above the unit. Thus, Environmental Health has recommended conditions requiring a noise assessment and fumes and odours assessment to ensure that the development does not lead to noise creep or an unsatisfactory mitigation of the fumes emanating from the extraction system. These elements are covered by conditions attached to 127761/JO/2020, which granted the master permission for the whole development. Subject to the discharge of these conditions, it is considered there should be no undue impact on residential amenity.

Given the above the proposal is considered to be in accordance with Policies SP1 and DM1 of the Adopted Core Strategy for the City of Manchester and saved policy DC26 of the Unitary Development Plan.

Impact on highway safety

Given the nature of the proposal, the LPA does not anticipate that any harm will be caused to highway safety as no element of the installation would impinge on or project over the adopted highway. The proposal therefore accords with policy DM1 of the Manchester Core Strategy.

Conclusion

In light of the above, the proposal is considered to be acceptable and is thus in accordance with Manchester Core Strategy Policies SP1, CC9, EN1, and DM1. The application is therefore recommended for approval.

Other Legislative Requirements

Equality Act 2010

Section 149 (Public Sector Equality Duty) of the Equality Act 2010 requires due regard to the need to: Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act and; Advance equality of opportunity between persons who share a protected characteristic and persons who do not share it. The Equality Duty does not impose a legal requirement to conduct an Equality Impact Assessment. Compliance with the Equality Duty involves consciously thinking about the aims of the Equality Duty as part of the process of decision-making.

Human Rights Act 1998 considerations

This application needs to be considered against the provisions of the Human Rights Act 1998. Under Article 6, the applicants (and those third parties, including local residents, who have made representations) have a right to a fair hearing and to this end the local planning authority must give full consideration to their comments.

Protocol 1 Article 1, and Article 8 where appropriate, confer(s) a right of respect for a person's home, other land and business assets. In taking account of all material considerations, including Council policy as set out in the Core Strategy and saved policies of the Unitary Development Plan, the Director of Planning, Building Control & Licensing has concluded that some rights conferred by these articles on the applicant(s)/objector(s)/resident(s) and other occupiers and owners of nearby land that might be affected may be interfered with but that that interference is in accordance with the law and justified by being in the public interest and on the basis of the planning merits of the development proposal. She believes that any restriction on these rights posed by the recommendation given is proportionate to the wider benefits of and that such a

decision falls within the margin of discretion afforded to the Council under the Town and Country Planning Acts.

Recommendation: Approve

Article 35 Declaration

Officers have worked with the applicant/agent in a positive and proactive manner in determining this application by assessing the proposal against relevant planning policies and all material considerations, identifying matters of concern with the proposal and discussing those with the applicant/agent. In this instance negotiation has been able to successfully resolve the identified concerns and issues.

Condition(s) to be attached to decision for approval

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

-Drawing - Proposed 202 REV A FRONT ELEVATION received by the City Council, as Local Planning Authority, on 19/12/2024

-Drawing - Proposed 001 KITCHEN VENT received by the City Council, as Local Planning Authority, on 07/01/2025

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to policies SP1 and DM1 of the Core Strategy.

3) Prior to the commencement of the development hereby approved, a sample of the decorative louvre screen shall be submitted to, and approved in writing by, the City Council, as Local Planning Authority. This shall include the provision of a physical sample, RAL Colour and specification). The approved details shall be implemented in full as part of the development.

Reason - in the interest of visual amenity pursuant to policies DM1, EN1 and SP1 of the Manchester Core Strategy (2012)

Informatives

- 1) There are conditions attached to the master permission 127761/JO/2020 that must be discharged prior to operation of the unit, including numbers 12, 16 and 24. A copy of the decision notice was provided to the agent via email on 13/01/2024.
