If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

We are proposing to demolish the existing pitched roof garage (built in metal), and replace it with a larger garden room/office to be built in brick to match the existing house. The proposed garden room will not extend any further forward toward Gawsworth Avenue. The proposed garden room will not be more than 2.5m at its highest point.
