Part 1 – Particulars of the application/development

Proposal: External alterations consisting of addition of louvres and an external door.

Location: 1 New Quay Street, Manchester, M3 4PR

Date of application: 5 November 2024

Application number: 140797/FO/2024

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have worked with the applicant/agent in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Unfortunately, in this instance, the concerns with the application have been too significant in order to resolve within the determination period of the application and the application has therefore been refused.

Reason(s) for decision

1) The proposed external alterations, by reason of siting and appearance, would form incongruous and unsympathetic alteration to this high quality building within a key regeneration area. The changes would appear out of context and out of character with both the architecture of the building and the surrounding area. The proposed development would therefore result in an unduly harmful impact on visual amenity. The development is therefore contrary to policies EN1, SP1, CC9, and DM1 of the Manchester Core Strategy (2012) and the NPPF (2024).

Date: 31 December 2024

Director of Planning, Building Control & Licensing

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision. However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 6 months).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision. The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
