

63-65 Upper Chorlton Road, Manchester

Approval Ref: 141366/JO/2024 (formerly 138589/FO/2023)

Covering Note Relating to Application to Discharge Condition 5 – Cycle Store

Proposals

It is understood that storage facilities for twelve bicycles are required. This should be a sheltered store, with locking points for bikes. The Hardy Shelter by Street Furniture Direct is proposed. A typical illustration is shown below, but the colour of the frame would be silver. A full brochure is also included as part of the application.
