Subject: The Rossett - Bio Diversity Enquiry

Hi Mark,

We have reviewed the site and in terms of the planning condition nr 8, namely “*Prior to first occupation of the apartments hereby approved, a scheme for the enhancement of the site for biodiversity purposes shall be submitted to and agreed in writing by the City Council as Local Planning Authority. The agreed scheme shall be implemented in accordance with a timescale to be agreed and retained and maintained thereafter*”. Having reviewed the site and information available we have attached our recommendations in order to satisfy the planning condition required.

Do let me know if you need anything further.

Many thanks,

Celia Kenyon
