

Architectural section drawing of the proposed building. The section shows a two-story structure with a ground floor and a first floor. The ground floor contains an Office (green), a large central space (grey), a Allergens (Dust) Prep (green), and a Bakery Prep (green). The first floor contains Office 2 (purple) and a Store (purple). The roof is labeled R US/O Roof. The section is labeled B and includes a scale of 1:100.

Architectural section drawing of a building, labeled "Proposed Section - C" with a scale of 1:100. The section shows a multi-story building with a ground floor containing a "Chiller Coldroom" (green), a "Corridor" (grey), and a staircase area. The upper floors are labeled "External Plant" and "Staircore 2". The drawing includes structural elements like columns and beams, and a small figure of a person for scale.
