Good morning Rachel

Our ecologist attended this morning and took the required pictures and notes.

There are no implications in relation to bats and the proposed scheme and no further surveys will be recommended – the building is classified as pertaining to negligible.

Thanks

Kind Regards

Kylee Wilding CEnv MIEMA ACIEEM

Subject: Re: Blossom Motors - Instruction

Hi Kylee,

Has someone been to site this morning, or will they be attending this afternoon?

Kind regards,
