To Whom It May Concern:

Re: Miss Bushra Anwar 04-Aug-1994
71 Guildford Road, Manchester, M19 3ER

I wonder if you could support this woman with planning for an extension so she can stay in the home with her family. She has depression and anxiety due to previous domestic abuse. She relies on family support but not enough space. She has a 6month old baby and is currently having a divorce due to abuse from her ex.

Many Thanks
Dr E Hunter
