# Terrace Management Plan

3 Little Quay Street is an existing bar development located within the ground floor unit at Sunlight House. This application seeks to gain retrospective planning permission for outdoor seating and barriers around the existing terrace area.

This document outlines the operational procedure with respect to all loose furniture that is positioned on the terrace.

All tables and chairs are to be relocated to within the bar when out of hours, chairs and tables will be relocated to the terrace during business hours of 12:00pm - 1:30am weekdays. Outside of these hours all loose outdoor furniture will be securely locked inside.

Exsiting barriers albeit moveable are intended to be left in position outside of operational hours and will not be relocated.
