

Indicative Schematic Drawing

Please Note:
The Contractor is to check all levels, and verify all dimensions and heights on site prior to commencement of construction work. The client/designer should be contacted immediately if the assumptions used in the design and drawing preparations differ to that found on site. These drawings/spec are issued for client approval purpose only and not intended as a working drawing. As such the designer will not consider any claims arising from this drawing, whether directly or indirectly. All works must be to highest standards.
