Manchester City Council are not satisfied that on 14 August 2024 the use/operations described in the First Schedule in respect of the land specified in the Second Schedule and more particularly identified on the plan attached to this certificate edged in red, was lawful within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1) The proposed dormer would increase the occupancy within the property to 8 bedrooms and as such it would facilitate a material change of use, as defined by Section 55(1) of the Town and Country Planning Act 1990; planning permission would therefore be required for the totality of the development.
