Part 1 – Particulars of the application/development

Proposal: Discharge of condition 44 (Archaeology Phase B) attached to planning permission 135419/FO/2022

Location: One Medlock Street, Manchester, M15 5FJ

Date of application: 8 November 2024

Application number: CDN/24/1040

Part 2 – Particulars of decision

Manchester City Council gives notice that the detail(s) referred to in Part 1 are **Approved** in accordance with the information set out below.

Condition 44 - Archaeology Phase B
The following information has been submitted to discharge condition 44:

Archaeological Desk-Based Assessment Report No: SA/2019/46 dated September 2022 prepared by Salford Archaeology, University of Salford; and

Written Scheme of Investigation (WSI) for an Archaeological Strip Map Record dated October 2023 v3.0 prepared by Salford Archaeology, University of Salford.

Condition 44 is discharged on the basis that the submitted information finds that the archaeological interest in the area of Block B is insufficient to warrant any further investigation and providing that the development groundworks for Block B do not impinge on any part of the area of archaeological works for Block A or otherwise hamper the progress of agreed archaeological works required to satisfy Condition 11.

Date: 6 December 2024

Signed: 

Julie Roscoe
Director of Planning, Building Control & Licensing

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 (as amended) or Planning (Listed Building & Conservation Area) Act 1990 (as amended) does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 or sections 20 and 21 of the Planning (Listed Building & Conservation Area) Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-inspectorate. The Inspectorate will publish details of your appeal on the internet.

Alternatively, appeals can be made on a form which is obtainable from Planning Inspectorate, Customer Support Unit, Room 3/15, Eagle Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 or by telephone 0117 372 6372.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority of the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
