MANCHESTER CITY COUNCIL

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Part 1 – Particulars of the application/development

Proposal: Change of use of existing building to form 8 no. residential apartments with associated demolitions, extensions and elevational alterations, together with the erection of a 3 storey building to form 4 no. residential apartments (Class C3), with associated landscaping and car parking

Location: Westwood Nursing Home, 8 Polygon Road, Manchester, M8 5DD

Date of application: 9 July 2024

Application number: 139522/FO/2024

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner to resolve any problems arising in relation to dealing with the planning application.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

Drawing referenced 13148 205/A, received by the City Council as Local Planning Authority on 13 March 2024, drawing referenced 13148 301/D, 13148 302/D, 13148 310/B, 13148 311/B, 13148 206/A, 13148 207/A and 13148 208/A, received by the City Council as Local Planning Authority on 12 August 2024, drawings referenced 13148 303/G, 13148 304/G, 13148 312/E, 13148 313/E, 13148 314/C, 13148 316 D, 13148 317/A, 13148 318/A received by the City Council as Local Planning Authority on 3 September 2024, drawing referenced YD2_PLY_LP001/B, received by the City Council as Local Planning Authority on 5 September 2024 and drawing referenced 13148 321/D, received by the City Council as Local Planning Authority on 16 September 2024.

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

3) No above ground development that is hereby approved shall commence unless and until samples and specifications of all materials to be used on all external elevations of the development have been submitted to and approved in writing by the City Council as Local Planning Authority. The development shall only be implemented in accordance with the agreed materials.

Reason - To ensure that the appearance of the development is acceptable to the City Council as Local Planning authority, in the interests of the visual amenity, pursuant to policies SP1, EN3 and DM1 of the Manchester Core Strategy.

4) Prior to the commencement of demolition and construction, a management plan outlining working practices during development shall be submitted to and approved in writing by the City Council as Local Planning Authority, which for the avoidance of doubt should include:

- Measures to control noise and vibrations;
- Dust suppression measures;
- Compound locations where relevant;
- Location, removal and recycling of waste;
- Detail of an emergency contact telephone number;
- Parking of construction vehicles; and
- Sheeting over of construction vehicles.
-Loading and unloading of plant and materials;
-Storage of plant and materials;
-Site hoarding; scaffolding and acoustic fencing.

The development shall only be carried out in accordance with the approved construction management plan.

Manchester City Council encourages all contractors to be 'considerate contractors' when working in the city by being aware of the needs of neighbours and the environment. Membership of the Considerate Constructors Scheme is highly recommended.

Reason - To safeguard the amenities of nearby residents pursuant to policies SP1, EN19 and DM1 of the Manchester Core Strategy.

5) Before first occupation of the new apartment building hereby approved, the windows shown as being obscured glazed on drawings referenced 13148 303/G, 13148 321/E, 13148 313/E and 13148 321/D received by the City Council as Local Planning Authority on 3 September 2024 and 16 September 2024 respectively, shall be obscure glazed to

a specification of no less than level 5 of the Pilkington Glass Scale or such other alternative equivalent and shall remain so in perpetuity.

Reason - To protect the amenity and living conditions of adjacent residential property from overlooking or perceived overlooking and in accordance with policies SP1 and DM1 of the Manchester Core Strategy.

6) a) Prior to the apartments hereby approved being occupied, a scheme for acoustically insulating the proposed residential accommodation against noise from Crumpsall Lane shall be submitted to and approved in writing by the City Council as Local Planning Authority. The potential for overheating shall also be assessed and the noise insulation scheme should take this into account. The approved noise insulation and ventilation scheme shall be completed before any of the approved flats are occupied.

b) Prior to first occupation of the residential units, a verification report shall be required to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic consultant's report. The report shall also undertake post completion testing to confirm that the internal noise criteria have been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the internal noise criteria.

Reason - In order to safeguard the amenity of existing and future occupiers of nearby residential accommodation, pursuant to saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies SP1, H1 and DM1 of the Manchester Core Strategy

7) Prior to the commencement of the development hereby approved, a surface water drainage scheme for the development site, based on sustainable drainage principles, shall be submitted for approval in writing by the City Council, as Local Planning Authority. This shall include:

-Progression through the drainage hierarchy must be evidence based and supported by site investigation including assessments of ground conditions and infiltration testing in accordance with BRE365. Proposals of attenuation should achieve half drain time within 24 hours.

-For surface water connections, evidence of agreement in principle from the relevant authority/service provider is required to ensure there is adequate spare capacity in the existing system taking future development requirements into account. An email of acceptance of a proposed new connection would suffice.

-Details of surface water attenuation that offers a reduction in surface water runoff rate in line with the Manchester Trafford and Salford Strategic Flood Risk Assessment. Provide at least a 50% reduction in brownfield runoff rate or greenfield runoff rate.

-Finalised surface water drainage layout including all components, levels, connectivity and proposed overland flow routes for extreme events.

-Hydraulic calculations of the proposed drainage system, including all design parameters. Results must demonstrate no flooding of buildings for the 1 in 100 + 45% Climate Change.

-Where flows less than 5 l/s are proposed, a blockage risk assessment must be undertaken. If the risk cannot be adequately managed, a higher minimum discharge rate should be considered / agreed with relevant authority.

-A plan indicating easements. SuDS features (including attenuation tanks) should be appropriately positioned, including a 2.5m easement from the existing highway and a 5m easement from any dwellings, guaranteeing accessibility for future maintenance and contingency for asset failure. This practice is in accordance with SuDS Manual (C753).

-Construction details of flow control and SuDS components.

-Details of how the scheme shall be maintained and managed after completion.

The development shall be constructed and completed in accordance with the approved details prior to the first occupation/use of the development hereby approved.

Reason - To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution. This condition is imposed in light of national policies within the NPPF and NPPG and policies EN8 and EN14 of the Manchester Core Strategy.

8) Before the development hereby approved commences, a report (the Preliminary Risk Assessment) to identify and evaluate all potential sources and impacts of any ground contamination, groundwater contamination and/or ground gas relevant to the site shall be submitted to and approved in writing by the City Council as Local Planning Authority. The Preliminary Risk Assessment shall conform to City Council's current guidance document (Planning Guidance in Relation to Ground Contamination).

In the event of the Preliminary Risk Assessment identifying risks which in the written opinion of the Local Planning Authority require further investigation, the development shall not commence until a scheme for the investigation of the site and the identification of remediation measures (the Site Investigation Proposal) has been submitted to and approved in writing by the City Council as local planning authority.

The measures for investigating the site identified in the Site Investigation Proposal shall be carried out, before the development commences and a report prepared outlining what measures, if any, are required to remediate the land (the Site Investigation Report and/or Remediation Strategy) which shall be submitted to and approved in writing by the City Council as local planning authority.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

9) When the development commences, the development shall be carried out in accordance with the previously agreed Remediation Strategy and a Completion/Verification Report shall be submitted to and approved in writing by the City

Council as local planning authority. No occupation of the development shall take place until the completion/verification report is submitted to and approved by the City Council as local planning authority.

In the event that ground contamination, groundwater contamination and/or ground gas, not previously identified, are found to be present on the site at any time before the development is occupied, then development shall cease and/or the development shall not be occupied until, a report outlining what measures, if any, are required to remediate the land (the Revised Remediation Strategy) is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the Revised Remediation Strategy, which shall take precedence over any Remediation Strategy or earlier Revised Remediation Strategy.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

10) The development shall not be occupied until details of the security measures to be incorporated into the development, which shall be to 'secured by design' specification, have been submitted to and approved in writing by the City Council as Local Planning Authority. This shall include details of external fittings, boundary treatment, gates and dusk till dawn lighting. The development shall only be carried out in accordance with these approved details which shall be retained thereafter.

Reason - To reduce the risk of crime pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

11) Prior to the first occupation of the development hereby approved, a 30-year Habitat Management and Monitoring Plan for the on-site biodiversity enhancements shall be submitted to and agreed in writing by the City Council as Local Planning Authority. The development shall be implemented and maintained in accordance with the agreed details and shall be retained thereafter.

Reason - In the interests of biodiversity net gain being achieved on site pursuant to Policy EN15 of the Manchester Core Strategy, Policies JP-G8 of Places for Everyone, National Planning Policy Framework (NPPF) and Schedule 7A of the Town and Country Planning Act 1990 (as amended).

12) The hard and soft landscaping scheme approved by the City Council as Local Planning Authority shown on drawing referenced YD2_PLY_LP001/B, received by the City Council as Local Planning Authority on 5 September 2024 shall be implemented not later than 12 months from the date of commencement of works. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies SP1, EN9 and DM1 of the Manchester Core Strategy.

13) The car parking indicated on drawing referenced 502/2 (site proposed), received by the City Council as Local Planning Authority on 7 October 2024, shall be surfaced,

demarcated and made available for use prior to any of the residential apartments hereby approved being occupied. The parking areas shall be for the sole use of residential occupants of the development and shall be available for use at all times whilst the apartments are occupied.

Reason - To ensure that there is adequate car parking for the development proposed when the building is occupied, pursuant to policies DM1, T2 and SP1 of the Manchester Core Strategy.

14) Notwithstanding details submitted, no above ground development shall take place until there has been submitted to and approved in writing by the Local Planning Authority a plan indicating the positions, design, materials and type of boundary treatment/gates to be erected. The boundary treatment/gates shall be completed before the apartments hereby approved are occupied. The development shall be carried out in accordance with the approved details and shall thereafter be retained.

Reason - To ensure that the appearance of the development is acceptable to the City Council as Local Planning Authority, pursuant to policies SP1, EN3 and DM1 of the Manchester Core Strategy.

15) (a) No retained tree shall be cut down, uprooted or destroyed, nor shall any retained tree be topped or lopped other than those identified with the submitted Site Report, Appraisal and Plan prepared by Christians Environmental (Ref. 4505-BS-001) received by the City Council, as Local Planning Authority on 5 September 2024.

(b) If any retained tree is removed, uprooted or destroyed or dies, another tree shall be planted at the same place and that tree shall be of such size and species, and shall be planted at such time, as may be specified in writing by the City Council as Local Planning Authority.

(c) The erection of fencing for the protection of any retained tree shall be undertaken in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the Local Planning Authority.

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Manchester Core Strategy.

16) The development hereby approved shall only be implemented in accordance with the recommendations and measures contained within the submitted Site Report, Appraisal and Plan prepared by Christians Environmental (Ref. 4505-BS-001) received by the City Council, as Local Planning Authority on 5 September 2024.

Reason - In order avoid damage to trees/shrubs and associated root zones adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Manchester Core Strategy.

17) All tree work should be carried out by a competent contractor in accordance with British Standard BS 3998 "Recommendations for Tree Work".

Reason - In order avoid damage to trees adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Manchester Core Strategy.

18) No works or vegetation clearance shall take place during the optimum period for bird nesting (1st March - 31st August inclusive) unless nesting birds have been shown to be absent, or, a method statement for the demolition including for the protection of any nesting birds is agreed in writing by the City Council, Local Planning Authority. Any method statement shall then be implemented for the duration of the demolition works.

Reason - In order to protect wildlife from works that may impact on their habitats pursuant to policy EN15 of the Manchester Core Strategy.

19) Notwithstanding details submitted, prior to the first occupation of the apartments hereby approved, full details of electric car charging points shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved details shall then be implemented as part of the development and be in place prior to the first occupation of the apartments and retained thereafter.

Reason - In the interest of air quality pursuant to policy EN16 of the Manchester Core Strategy.

20) Notwithstanding details submitted, no part of the development hereby approved shall be occupied until full details of the space and facilities for bicycle parking have submitted to and agreed in writing by the City Council as Local Planning Authority. This shall include means of enclosure. The agreed cycling parking space and facilities shall the implemented as part of the development and retained thereafter.

Reason - To ensure that adequate provision is made for bicycle parking so that persons occupying or visiting the development have a range of options in relation to mode of transport in order to comply with policies SP1, T1 and DM1 of the Manchester Core Strategy.

21) Prior to above ground development commencing, an Environmental Standards Statement shall be submitted to, and approved in writing by, the City Council, as Local Planning Authority. The statement shall demonstrate measures to be incorporated into the development to achieve energy efficiency. The development shall only be implemented in accordance with the agreed measures.

Reason - In order to minimise the environmental impact of the development, pursuant to policies DM1 and SP1 of the Manchester Core Strategy and the National Planning Policy Framework.

22) Notwithstanding details submitted, the apartments hereby approved shall not be occupied until a scheme for the storage (including segregated waste recycling) and disposal of refuse has been submitted to and approved in writing by the City Council as Local Planning Authority. The details of the approved scheme shall be implemented as part of the development and shall remain in situ whilst the use or development is in operation.

Reason - In the interests of amenity and public health, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

23) Prior to first occupation of the apartments hereby approved, full details of all necessary off-site highway works to be implemented via a S.278 agreement, shall be submitted to and approved in writing by the City Council as Local Planning Authority and be implemented in accordance with a timescale to be agreed by the City Council as Local Planning Authority. Such works should include:

-The creation of new vehicular crossover to facilitate access to the site and tactile paving to each side of the access.

-The making good of redundant vehicle crossovers and the reinstatement of footway and kerbline.

-The resurfacing of the footway adjacent to the application site along Polygon Road and Crumpsall Lane.

The development shall not be occupied until all the necessary off-site highway works have an agreed timescale for implementation. The development shall only be occupied in accordance with the agreed works.

Reason - In the interests of highway safety, pursuant to Policies DM1 and SP1 of the Manchester Core Strategy.

24) The development hereby approved shall include a lighting scheme for the illumination of external areas during the period between dusk and dawn. Full details of such a scheme shall be submitted to and approved in writing by the local planning authority prior to commencement of any lighting works. The approved scheme shall be implemented in full before the development is first occupied and shall remain in operation for so long as the development is occupied.

Reason - In the interests of amenity, crime reduction and the personal safety of those using the proposed development pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

25) If any external lighting at the development hereby approved, when illuminated, causes glare or light spillage which in the opinion of the Council as local planning authority causes detriment to adjoining and nearby residential properties, within 14 days of a written request, a scheme for the elimination of such glare or light spillage shall be submitted to the Council as local planning authority and once approved shall thereafter be retained in accordance with details which have received prior written approval of the City Council as Local Planning Authority.

Reason - In order to minimise the impact of the illumination of the lights on the occupiers of nearby residential accommodation, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

26) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) none of the residential units hereby approved shall be used for any other purpose (including any other purpose in Class C3 of the Schedule to the Town and Country Planning (Use Classes) Order 1987 as amended by The Town and Country Planning (Use Classes) (Amendment) (England) Order 2020, or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification) other than the purpose(s) of C3(a).

Reason - In the interests of residential amenity, to safeguard the character of the area and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policies DM1 and H11 of the Core Strategy for Manchester and the guidance contained within the National Planning Policy Framework.

27) The residential apartments hereby approved shall be used only as private dwellings (which description shall not include serviced properties or similar uses where sleeping accommodation (with or without other services) is provided by way of trade for money or money's worth and occupied by the same person for less than ninety consecutive nights) and for no other purpose (including any other purpose in Class C3 of the Schedule to the Town and Country Planning (Use Classes) Order 1987 (as amended), or any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification).

Reason - To safeguard the amenities of the neighbourhood by ensuring that other uses which could cause a loss of amenity such as short-term lets, serviced apartments/apart hotels, do not commence without prior approval; to safeguard the character of the area, and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policies DM1 and H11 of the Manchester Core Strategy and the guidance contained within the National Planning Policy Framework.

Informatives

Building Regulations 2010
This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements
Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address:
http://www.manchester.gov.uk/info/100011/roads_parking_and_transport/1988/naming_and_numbering_of_houses_buildings_streets_and_roads/2

Mining Information

The proposed development lies within an area which could be subject to current coal mining or hazards resulting from past coal mining. Please read the Standing Advice from the Coal Authority in Appendix A.

Date: 15 October 2024

Signed: 

Julie Roscoe
Director of Planning, Building Control & Licensing

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority of the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

Appendix A

The Coal Authority

STANDING ADVICE - DEVELOPMENT LOW RISK AREA

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at:
www.gov.uk/government/organisations/the-coal-authority

Standing Advice valid from 1st January 2023 until 31st December 2024
