Part 1 – Particulars of the application/development

Proposal: Erection of first floor rear extension and installation of rear dormer to provide additional living accommodation

Location: 48 Norman Road, Manchester, M14 5LE

Date of application: 14 August 2024

Application number: 140671/FH/2024

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Reason(s) for decision

0) There were problems with the application, so the officer talked to the applicant and others. The unauthorised 6000mm ground floor rear extension is noted as existing on the plans and is not included as part the description of the application form submitted. The applicant was advised that they would need to withdraw the application and resubmit with the full description to include the ground floor extension.

1) Due to its design, scale and massing notably the first floor 6m rear extension with flat roof the proposal would result in an overly dominant and visually obtrusive feature within the area, to the detriment of the general character of the property and the visual amenity of the area within which it is situated. The proposal is therefore counter to policies DM 1, SP 1 and EN 1 of the Manchester Core Strategy; DC1 Extant UDP; JP-Strat5, JP-S1, JP-P1 of the Places for Everyone Plan and; Section 5 and 12 of the NPPF.

2) Due to its design, scale and massing notably the first floor 6m rear extension with flat roof the proposal would result in an overly dominant and overbearing feature within the area, to the detriment of the residential amenity of the residents in the area which it is situated. The proposal is therefore counter to policies DM 1, SP 1 and EN 1 of the Manchester Core Strategy; DC1 Extant UDP; JP-Strat5, JP-S1, JP-P1 of the Places for Everyone Plan and; Section 5 and 12 of the NPPF.

3) The proposal, notably the first floor 6m rear extension with flat roof would cause an overbearing massing to the rear of the property failing to remain subservient to the original dwelling and not in keeping with design and character of local properties and the wider development in the area counter to policies DM 1, SP 1 and EN 1 of the Manchester Core Strategy; DC1 Extant UDP; JP-Strat5, JP-S1, JP-P1 of the Places for Everyone Plan and; Section 5 and 12 of the NPPF.

4) The proposed development is in Flood Zone 2 with a vulnerability classification of More Vulnerable. In accordance with the Flood Risk Assessment Guidance for Local Planning Authorities the LPA should assess the FRA under the Standing Advice. The applicant has not provided a Flood Risk Assessment and therefore opposes policies DM 1, SP 1 & EN 14 of the Manchester Core Strategy and national policies within the NPPF and NPPG.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them.
