Main Entrance addressing the junction of Manchester Road and Longford Road.

REMOVE PARTITION WALL AND REINSTATE ORIGINAL WALL LOCATION

Partition wall as seen from the main library. Note the partition wall slicing through the original cornice.

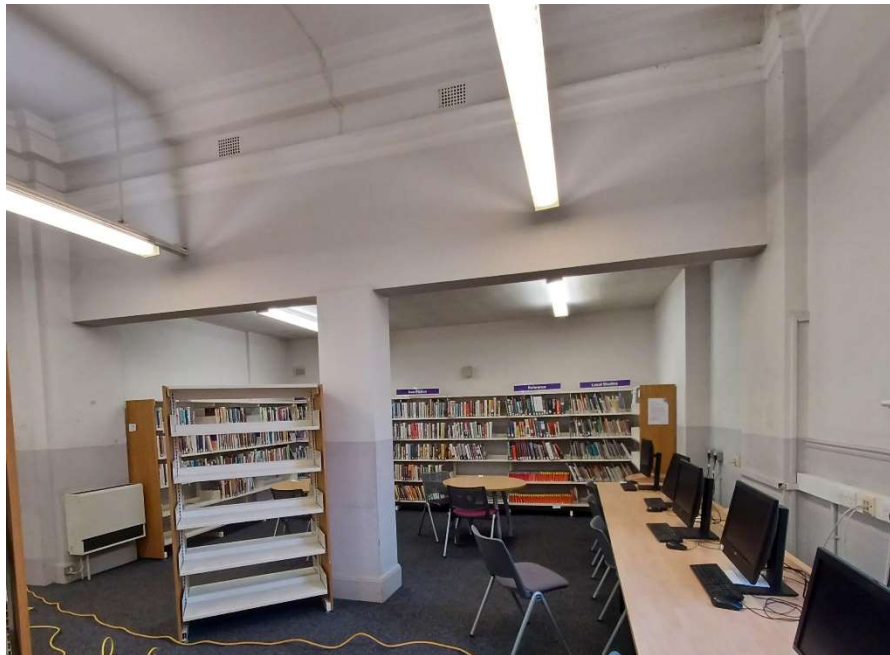

Partition wall as seen from within the staff room. Note the arch formed in the original wall.

Recess between the arch and partition wall. Note the cornice remains undamaged.

FORM TWO NEW MEETING ROOMS

Two openings formed in the original wall. It is proposed to form two new meeting rooms one either side of the column.

The much-altered wall to the service yard beneath the slated roof, and over the basement boiler house.
