Policy

The following policy and guidance are considered relevant to the consideration of this application:

The Adopted Core Strategy for the City of Manchester

Adopted on 11th July 2012 and the Key Development Plan Document in the Local Development Framework. It states that all new developments should follow the 'Development Principles' and accord with the design guidance set out in the Supplementary Planning Documents.

C1 (Centre Hierarchy) states Manchester City Centre is the regional focus for commerce, culture, leisure and tourism development, with retail development being directed towards the Primary Shopping Area.

C10 (Leisure and the Evening Economy) states that redevelopment that supports the evening economy, contributes to the vitality of district centres and supports a balanced and socially inclusive evening/ night-time economy will be permitted, subject to the following considerations:

- Cumulative impact - where a concentration of bars, takeaways or other night-time uses

are proving detrimental to the character or vitality and viability of the centre, there will be a presumption against further facilities.

- Residential amenity - the proposed use should not create an unacceptable impact on neighbouring uses in terms of noise, traffic and disturbance.

- Balance - new uses in Manchester centres should support both the daytime and evening/night-time economies whilst not undermining the role of the primary shopping area.

SP1 (Spatial Principles) refers to the key spatial principles which will guide the strategic development of Manchester together with core development principles. It is stated that developments in all parts of the city should create well designed places which enhance or create character, make a positive contribution to the health, safety, and well-being of residents, consider the needs of all members of the community, and protect and enhance the built environment. Further, development should seek to minimise emissions, ensure the efficient use of natural resources, reuse previously developed land wherever possible, improve access to jobs, services and open space, and provide good access to sustainable transport provision.

EN1 (Design Principles and Strategic Character Areas) advises that development provide opportunities for good design to enhance the overall image of the City should be fully realised and both reinforce and enhances the local character. It also advises that developer's will be expected to consider the City's heritage, including its listed buildings, conservation areas, archaeological remains and historic street pattern.

EN3 (Heritage) advises that new developments must be designed so as to support the Council in preserving or, where possible, enhancing the historic environment.

EN19 (Waste) states that the Council will require developers to demonstrate how the sustainable waste management needs of the end user will be met.

CC1 (Primary Economic Development Focus: City Centre and Fringe) identifies the City Centre as a strategic economic location and focus of employment growth encouraging a variety of high quality accommodation types, sizes and foot-plates to boost investment by local, national and international businesses and supports the provision of a range of economic development uses, such as retail, leisure, entertainment, cultural and tourism facilities within the City Centre to support the development of a vibrant employment location attractive to businesses, employees and visitors to the City Centre.

CC7 (Mixed Use Development) outlines that the City Centre presents the most viable opportunities for mixed-use development, and in general these will be promoted as a means of using land as efficiently as possible.

CC4 (Visitors - Tourism, Culture and Leisure) states the City Centre will be the main focus for culture and leisure in the City Region and development which improves facilities for visitors, including Manchester residents, will be promoted.

CC5 (Transport) requires all development to include adequate parking provision for cars and bicycles.

CC9 (Design and Heritage) advises that design of new buildings will need to be of the highest standard in terms of appearance and function. The standards and guidance explained in other LDF policies should be the basis for the approach to design, with particular attention to be given to the City Centre context and character.

Development in Manchester City Centre should preserve or enhance the heritage assets that have been identified, including listed buildings, conservation areas and scheduled ancient monuments.

The Council will support high density and mixed-use development in the City Centre, but developers must recognise the specific design challenges that must be overcome to ensure complementarity of function and form. New development must support the range of uses the Council expects in the City Centre and contribute to a coherent and integrated physical environment.

DM1 (Development Management) states that all development should have regard to a number of specific issues the following of which are relevant to this application and for which more detailed guidance may be given within a supplementary planning document:

- Impact on the surrounding areas in terms of the design, scale, and appearance of the proposed development.
- Development should have regard to the character of the surrounding area.
- Effects on amenity, including privacy, light, noise, vibration, air quality and road safety and traffic generation. This could also include proposals which would be sensitive to existing environmental conditions, such as noise.
- Accessibility: buildings and neighbourhoods fully accessible to disabled people, access to new development by sustainable transport modes.
- Community safety and crime prevention.
- Design for health.
- Refuse storage and collection.
- Vehicular access and car parking.

The Unitary Development Plan (UDP) for the City of Manchester

The Unitary Development Plan was adopted in July 1995. Coinciding with the adoption of the Core Strategy in 2012 significant proportions of the UDP have been replaced; however, a number of polices were saved on 11 July 2012 and remain extant.

DC10.1 (Food and Drink Uses) requires development for food and drink uses to have regard to the following:

- the general location of the proposed development, including any reference to the area in other policies in the Development Plan
- the effect on the amenity of neighbouring residents
- the availability of safe and convenient arrangements for car parking and servicing
- ease of access for all, including disabled people, and
- the storage and collection of refuse and litter.

DC26.1 (Development and Noise) states that the Council intends to use the development control process to reduce the impact of noise on people living and working in, or visiting, the City. In giving effect to this intention, the Council will consider both:
a. the effect of new development proposals which are likely to be generators of noise; and
b. the implications of new development being exposed to existing noise sources which are effectively outside planning control.

Places for Everyone

The Places for Everyone Plan is a Joint Development Plan Document, providing a strategic plan and policies, for nine of the ten boroughs which make up Greater Manchester.

The following policies are considered relevant to this application:

JP-Strat2 (City Centre) states that the role of the City Centre as the most significant economic location in the country outside London will be strengthened considerably. The City Centre will continue to provide the primary focus for business, retail, leisure, culture and tourism activity in Greater Manchester, but the increasingly important residential role of the City Centre will be expanded. It will be a priority for investment in development and infrastructure. This will include addressing current network capacity issues in the City Centre which will enable the future expansion of the rapid transit public transport network across Greater Manchester. Improvements in the public realm, walking and cycling facilities, and green infrastructure will help to enhance the local character and environmental quality of the City Centre so that it can rival city centres across the globe, enabling it to compete effectively at the international level for investment, businesses, skilled workers, residents and tourists. A broad range of commercial accommodation will be delivered, helping the City Centre to capture growth across key economic sectors. The new functions within the City Centre will be delivered in a way that complement, rather than displace the area's non-residential functions and will seek to protect and enhance the city centre's historic environment and assets.

National Planning Policy Framework (NPPF) (2023)

Decisions should accord with the requirements of the National Planning Policy Framework (NPPF) (2023), which sets out the Government's Planning Policies for England and how these are expected to be applied.

Section 8 (Promoting healthy and safe communities) outlines how planning policies and decisions should aim to achieve healthy, inclusive, and safe places and beautiful buildings.

Section 12 (Achieving Well-Designed Places) advises that the government attaches great importance to the design of the built environment. Good design is a key aspect of sustainable development, is indivisible from good planning, and should contribute positively to making places better for people.

It specifically states that:

"Development that is not well designed should be refused, specifically where it fails to reflect local design policies and government guidance on design. Developments should help to raise the standard of design more generally in an area and fit in with the overall form and layout of their surroundings" **(paragraph 139).**

At the heart of the Framework is a presumption in favour of sustainable development in terms, "For plan-making" and "For decision-taking" **(paragraph 11).**

This is further explored in paragraph 8, which confirms that achieving sustainable development means that the planning system has three overarching objectives, which are interdependent and need to be pursued in mutually supportive ways (so that opportunities can be taken to secure net gains across each of the different objectives):

a) an economic objective
b) a social objective and
c) an environmental objective.

Former BBC SRF (2013)

A Strategic Regeneration Framework (SRF) was endorsed by the City Council in July 2013. This encompassed the former BBC site along with Armstrong House, the Manchester Technology Centre and City Council land at the junction of Upper Brook Street / Mancunian Way. The former BBC site was acquired by Bruntwood in March 2015, who developed a revised Masterplan which reflected the commercially-led vision of the SRF. This was endorsed by the Council's Executive Committee in April 2015 and identified early interventions that would provide the basis for the long term redevelopment of the Site. The Council's Executive endorsed a Delivery Strategy and Phasing Plan for the Site on 29 July 2015.

The SRF seeks to promote employment-led regeneration that would contribute to sustained economic growth and the competitiveness of the City. It promotes the expansion of the city core, providing opportunities to maximise local employment with improved links into adjacent communities. It acknowledges that opportunities to provide the type of accommodation required by the next generation of occupiers are limited in the city centre. Development principles are identified to deliver a high quality, vibrant and sustainable urban neighbourhood with a distinctive sense of place that is integrated functionally and physically with the wider area. This includes: the development of high quality, contemporary commercial buildings, complemented by residential, hotel, leisure or institutional space; the creation of vibrancy and vitality across the site to create a sense of place; and the creation of a critical mass of economic activity to promote and encourage investment and growth opportunities.

Issues

Principle of the Development

The principle of the development is considered to be accepted.

Currently, amenity space offering within Vita Living North includes an entrance lounge, residents' lounges, workspaces, meeting rooms, gym, and a private dining room spread across the ground level, mezzanine level, Level 15 and 35.

The Proposed Development comprises the change of use of a residents' amenity space (Class C3) on Level 35 of Vita Living North into a rooftop bar for the exclusive use of residents and their guests (Sui Generis).

The existing use of the Site is communal residents lounge with an external terrace.

The Proposed Development consists of the reconfiguration of the layout of the Site, both within the indoor space and outdoor terrace. Additional seating from the existing layout is also proposed in order to better suit the proposed use of the Site as a rooftop bar for the exclusive use of residents and their guests.

The Vita Living North (see application 116450/FO/2017 – approved August 2017) proposals set out the aim to create a place which encourages a community to flourish, with a large amount of investment gone into providing residents with a unique suite of onsite amenities – nurturing social interactions and shared experiences within Vita Living North.

It is considered that the proposed change of use would tie into this original vision for the proposal.

The existing amenity space is ancillary to residential use (use class C3) and a Change of Use (C3 to Sui Generis) is correct to apply for given the selling of alcohol at the location.

Visual Amenity

The works will feature no significant visual alteration to the external façade of the building.

There will be tables and chair installed on the external terrace at Level 35. Given the height that the terrace is situated at, there will be minimal vantage points to be able to view the terrace from. Therefore, any visual amenity impact of the development will be negligible.

The applicant has noted that every care has been taken to ensure that the Proposed Development would be designed to the highest quality and a revised layout is proposed in contributing to high quality residents' amenity space,

Residential Amenity

Core Strategy Policy DM1 (Development Management) requires that all development should consider specific issues related to the nature of the development. Saved Policy DC26 of the UDP notes that "the Council intends to use the development control process to reduce the impact of noise on people living and working in, or visiting, the City".

The hours of operation of the proposed development are as follows:

- Internal area: Monday to Sunday – 12nn to 12am;
- External terrace: Monday to Sunday – 12nn to 11pm

The applicant has consulted with a qualified acoustics consultant in order to show that the Proposed Development is wholly compliant to the noise requirement as specified on the planning permission ref: 116450/FO/2017.

An email confirmation from Fisher Acoustics is submitted in support of this Application to confirm that the Proposed Development is compliant to the approved noise requirement given that there are no changes proposed to the existing approved arrangement.

This approach was agreed in a pre-application stage with the City Council as the Local Planning Authority.

MCC's Environmental Health team have reviewed the note from Fisher Acoustics and have come to the conclusion that due to the fact that the music is to be background level only and only inside (not on the external roof terrace) and that the proposed hours of use for the external roof terrace and internal bar area are within acceptable hours, that any impact upon residential amenity will be minimal.

It should be noted that the residents bar will not be about to members of the public.

Residents will have to make a booking to be able to attend the venue and they are allowed guests, but they have to be signed in at the reception on ground floor.

Therefore, the site will not be in danger of an influx of outsiders attending the bar and causing disturbance that will impact upon other residents. Any potential noise disturbances that might happen at the residents bar would be made by either a resident or a guest of a resident, and therefore the management company of the building would be able to deal with these noise disturbances in house.

This is fully outlined in 'Lounge 35 - Operational Statement' , received by the City Council as the Local Planning Authority on 25 September 2024.

Overall, in terms of Residential Amenity, the proposed Change of Use is considered to be compliant with Core Strategy and Saved Policy of the Manchester UDP.

Conclusion

Given all of the above, it is considered that the proposal is in accordance with the above policies and should be approved.

Other Legislative Requirements

Equality Act 2010

Section 149 (Public Sector Equality Duty) of the Equality Act 2010 requires due regard to the need to: Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act and; Advance equality of opportunity between persons who share a protected characteristic and persons who do not share it. The Equality Duty does not impose a legal requirement to conduct an Equality Impact Assessment. Compliance with the Equality Duty involves consciously thinking about the aims of the Equality Duty as part of the process of decision-making.

Human Rights Act 1998 considerations

This application needs to be considered against the provisions of the Human Rights Act 1998. Under Article 6, the applicants (and those third parties, including local residents, who have made representations) have a right to a fair hearing and to this end the local planning authority must give full consideration to their comments.

Protocol 1 Article 1, and Article 8 where appropriate, confer(s) a right of respect for a person's home, other land and business assets. In taking account of all material considerations, including Council policy as set out in the Core Strategy and saved polices of the Unitary Development Plan, the Director of Planning, Building Control & Licensing has concluded that some rights conferred by these articles on the applicant(s)/objector(s)/resident(s) and other occupiers and owners of nearby land that might be affected may be interfered with but that that interference is in accordance with the law and justified by being in the public interest and on the basis of the planning merits of the development proposal. She believes that any restriction on these rights posed by the recommendation given is proportionate to the wider benefits of and that such a decision falls within the margin of discretion afforded to the Council under the Town and Country Planning Acts.

Recommendation: Approve

Article 35 Declaration

Officers have worked with the applicant/agent in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the application.

Condition(s) to be attached to decision for approval

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents, received by Manchester City Council as the Local Planning Authority on 25 September 2024:

- Location Plan CSAL-VITA-XX-DR-A-0001
- Proposed Floor Plan CSAL-VITA-XX-DR-A-0003
- Lounge 35 - Operational Statement
- Noise Impact Confirmation Email

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Core Strategy.

3) The proposed private residents bar, marked in red on 'Proposed Floor Plan CSAL-VITA-XX-DR-A-0003', shall operate as an ancillary use to the residential use of the building and not operate as a separate commercial use for which a separate application for planning consent would be required. The private residents bar will be for the exclusive use of the residents of Vita Living North and guests of said residents, as outlined in 'Lounge 35 - Operational Statement' , received by the City Council as the Local Planning Authority on 25 September 2024.

Reason - For the avoidance of doubt and in order to secure a satisfactory form of development due to the particular circumstance of the application site, and in the interest of residential amenity, pursuant policy DM1 of the Core Strategy for Manchester.

4) The development will comply with the acoustic levels set out in "Fisher Acoustics - CIRCLE SQUARE, AFFINITY LIVING, BUILDINGS 5 & 6, MANCHESTER Verification letter dated 2 August 2021" which was submitted to discharge condition 25 (Acoustic) attached to application 116450/FO/2017/C1, under discharge of conditions application CDN/21/0585, in August 2021.

Reason - In interests of residential amenity in order to reduce noise and general disturbance in accordance with saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy.

5) The premises shall not be open outside the following hours:-

- Internal area: 12:00 to 00:00, Monday to Sunday
- External terrace area: 12:00 to 23:00, Monday to Sunday

Reason - In interests of residential amenity in order to reduce noise and general disturbance in accordance with saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy

6) The development will be carried out in accordance with "Lounge 35 - Operational Statement" received by the City Council as the Local Planning Authority on 25 September 2024.

Reason - In interests of residential amenity in order to reduce noise and general disturbance in accordance with saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy.

7) No amplified sound or any music shall be produced or played in the external terrace area of the residents amenity space.

Reason - In interests of residential amenity in order to reduce noise and general disturbance in accordance with saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy.
