Dear Sir/Madam,

**Re: Request for Amendment to Planning Condition 12 & 13 – Application Reference
121099/FO/2018**

On behalf of the applicant, I am writing to formally request a revision of the wording of planning conditions 12 and 13 associated with the above-referenced application on. I accept that the public park land has been historically safeguarded by HS2 Ltd and may still be required for future developments. My request is to ensure that the outstanding planning conditions can be discharged, and we can deliver the permanent condition to the public park land.

I would be grateful if you could consider this request and discuss the proposed changes in consultation with HS2 Ltd, if required. Please let me know if you require any additional information or clarification to support this request.

Thank you for your time and consideration. I look forward to your response and am happy to discuss this matter further at your convenience.

Yours faithfully,

Harry Treanor
