Part 1 – Particulars of the application/development

Proposal: Change of use from distribution warehouse / wholesaler to gym (Class E)

Location: 120 Broughton Street, Manchester, M8 8AN

Date of application: 11 September 2024

Application number: 140760/FO/2024

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have communicated their concerns about this proposal to the applicant during the course of the planning application, but no response from the agent has been received. The proposal is considered to be contrary to the development plan and therefore refused in a timely manner.

Reason(s) for decision

1) The proposed gym (Class E) would lead to the loss of employment space in the form of wholesale cash and carry warehouse and distribution centre, contrary to saved policy CC10 of Unitary Development Plan for the City of Manchester, policies, DM1, CC1, EC1, EC2 and EC4 of the Core Strategy, The Strangeways Local Plan, Places for Everyone JP-S1, JP-J1, JP-J2, and the National Planning Policy Framework. The aims of these policies are to protect this part of the city for employment generating uses which are associated with the warehouse district and the warehouses and wholesale uses that dominate the area. The provision of a gym (class E) would not be compatible with the policy aspirations for this area, which seeks to encourage the high levels of economic activity in the area. The proposed use would therefore undermine the objectives of the aforementioned policies.
