John,

39 Clyde Road Manchester M20 2JJ - 140902/TCA/2024

The applicant has proposed to carry out the following pruning works:

Works to trees - G1, various trees including Sycamore, Holly and Cherry providing a screen border between 39 - 41 Clyde road and 37a & 43 Clyde Road - crown lift trees to 2m over the entrance footpath, cut back to ensure walkway is clear and accessible. Allow to cut back all trees to the 39 Clyde Road side to give a 2-3m clearance from the property.

I can confirm that we would have no objection to the proposed works from an arboricultural perspective.

Kind regards
