

NOTE:
All information is based on external survey information (2D and 3D). Heights have been provided through external 3D survey models and plans have been based on 2D external survey information. Further information required in terms of existing and extent of retained car parking spaces, bike shelter trees, planters, gas governor meter enclosure TBC. Extent of red line boundary may need to be adjusted to suit proposed road access, turning heads and radius. Refer to Turkeys for landscape details.
