Dear Russ,

Re: Tariff Street 1 NQ – Planning Amendments

Please find attached amended drawings to submit for a NMA. These are shown on the attached summary list, and we have attached only the drawings that are amended by these changes.

The changes are very minor in nature and include the following;

- Minor changes to a limited number of window positions. These are very hard to tell on these plans, as the changes have been very minor.
- Minor change in building footprint along the eastern boundary, adjoining Sams Yard. The footprint is reduced so separation distances are improved.
- Notes amended to refer to agreed window frames.
- Colours adjusted to reflect the agreed colour signed off for the panels and upper floor – now all one single colour.

Your sincerely
