

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Location: Unity House, 42 Great Southern Street, Manchester, M14 4EZ

Date of application: 12 August 2024

Application number: 140313/FO/2024

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

The application has been considered in a positive and proactive manner as required by The Town and Country Planning (Development Management Procedure) (England) Order 2015 and any problems and/or issues arising in relation to dealing with the application have been communicated to the applicant and addressed as part of the application process. The application has been determined in accordance with both national and local policies, and appropriate conditions attached.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

Proposed Lower Ground floor-AFM-10-001

Proposed Upper Ground Floor-AFM-10-002

Proposed First Floor-AFM-10-003

Proposed Second Floor-AFM-10-004

Proposed Roof Plan-AFM-10-005

Proposed Southern Elevation-AFM-12-001

Proposed Western Elevation-AFM-12-002

Proposed Northern Elevation-AFM-12-003

Proposed Eastern Elevation-AFM-12-004

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Core Strategy.

3) No development that is hereby approved shall commence unless and until samples and specifications of all materials to be used on all external elevations of the development have been submitted to and approved in writing by the City Council as local planning authority.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policies SP1 and DM1 of the Core Strategy.

4) Prior to above ground works commencing:

a) The premises shall be acoustically insulated and treated to limit the break out of noise in accordance with a noise study of the premises and a scheme of acoustic treatment that has been submitted to and approved in writing by the City Council as local planning authority. The scheme shall be implemented in full before the use commences or as otherwise agreed in writing by the City Council as local planning authority.

b) Prior to occupation of the development a verification report shall be required to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic consultant's report. The report shall also undertake post completion testing to confirm that acceptable criteria have been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria.

Reason - To safeguard the amenities of the occupiers of the building and occupiers of nearby properties pursuant to policies SP1, EN19 and DM1 of the Manchester Core Strategy

5) Before the development hereby approved is first occupied a Travel Plan shall be submitted to and agreed in writing by the City Council as Local Planning Authority. In this condition a Travel Plan means a document which includes:

- i) the measures proposed to be taken to reduce dependency on the private car by those [attending or] employed in the development
- ii) a commitment to surveying the travel patterns of staff during the first three months of use of the development and thereafter from time to time

- iii) mechanisms for the implementation of the measures to reduce dependency on the private car
- iv) measures for the delivery of specified travel plan services
- v) measures to monitor and review the effectiveness of the Travel Plan in achieving the objective of reducing dependency on the private car

Within six months of the first use of the development, a revised Travel Plan which takes into account the information about travel patterns gathered pursuant to item (ii) above shall be submitted to and approved in writing by the City Council as local planning authority. Any Travel Plan which has been approved by the City Council as local planning authority shall be implemented in full at all times when the development hereby approved is in use.

Reason - To assist promoting the use of sustainable forms of travel to the school, pursuant to policies SP1, T2 and DM1 of the Core Strategy and the Guide to Development in Manchester SPD (2007).

6) Before the development hereby approved is first occupied a Travel Plan shall be submitted to and agreed in writing by the City Council as Local Planning Authority. In this condition a Travel Plan means a document which includes:

Within six months of the first use of the development, a revised Travel Plan which takes into account the information about travel patterns gathered pursuant to item (ii) above shall be submitted to and approved in writing by the City Council as local planning authority. Any Travel Plan which has been approved by the City Council as local planning authority shall be implemented in full at all times when the development hereby approved is in use.

Reason - To assist promoting the use of sustainable forms of travel to the school, pursuant to policies SP1, T2 and DM1 of the Core Strategy and the Guide to Development in Manchester SPD (2007).

7) Car parking at the site shall only operate in accordance with a car parking management strategy that shall be submitted to, and approved in writing by, the City Council, as Local Planning Authority prior to the first use of the extensions hereby approved. For the avoidance of doubt this includes the staggering of gatherings, marshals during Friday Prayer and any large gatherings or events such as weddings and funerals. The site shall thereafter operate in accordance with this approved car parking management strategy.

Reason

To ensure the effective management of car parking at the site and in order to reduce levels of on-street parking in the vicinity of the site, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

8) Before first occupation the roof extension windows in the Great Southern Street, Crofton Street and courtyard elevations shall be obscurely glazed to a specification of no less than level 5 of the Pilkington Glass Scale or such other alternative equivalent and shall remain so in perpetuity.

Reason - To protect the amenity and living conditions of adjacent residential property from overlooking or perceived overlooking and in accordance with policies SP1 and DM1 of the Core Strategy.

9) No part of the development shall be occupied until space and facilities for bicycle parking have been provided in accordance with details to be submitted to and approved in writing by the City Council as local planning authority. The approved space and facilities shall then be retained and permanently reserved for bicycle parking.

Reason - To ensure that adequate provision is made for bicycle parking so that persons occupying or visiting the development have a range of options in relation to mode of transport in order to comply with policies SP1, T1 and DM1 of the Core Strategy.

10) Prior to the commencement of development, a Construction Management Plan shall be submitted to and approved by the Council. The Construction Management Plan shall contain the following:

- * Details of Wheel Washing, if necessary;
- * Measures to control noise and vibration;
- * Dust suppression measure, if necessary
- * Measures to control noise and vibration;
- * Location, removal and recycling of waste;
- * Parking of construction vehicles and staff;
- * Hours of working
- * Details of an emergency contact telephone number;

The development shall be carried out in accordance with approved details.

Reason - To safeguard the amenities of the occupiers of nearby residential and commercial properties during the construction/demolition phase, pursuant to Policies SP1, EN19 DM1 in the Manchester Core Strategy.

11) The premises shall not be open outside the following hours:-

8am to 9pm Monday to Sunday and Bank Holidays.

Reason - In interests of residential amenity in order to reduce noise and general disturbance in accordance with saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy.

12) In the event that ground contamination, groundwater contamination and/or ground gas are encountered on the site at any time before the development is occupied during the watching brief, then development shall cease and/or the development shall not be occupied until a report detailing what measures, if any, are required to remediate the land (the Remediation Strategy), is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the agreed Remediation Strategy and validated. If no contamination is found, then a postcompletion report shall be submitted to evidence this prior to occupation of the development.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety. Pursuant to policies DM1 and EN18 of the Unitary Development Plan for the City of Manchester.

13) a) Fumes, vapours and odours shall be extracted and discharged from the premises in accordance with a scheme to be submitted to and approved in writing by the City Council as local planning authority before the use commences.

Mixed use schemes shall ensure provision for internal ducting in risers that terminate at roof level. Schemes that are outside the scope of such developments shall ensure that flues terminate at least 1m above the eave level and/or any openable windows/ventilation intakes of nearby properties.

b) Prior to commencement of the use hereby approved confirmation shall be submitted for the approval of the City Council as local planning authority that the approved scheme has been implemented.

Reason - In the interests of the amenities of occupiers of nearby properties pursuant to saved policy DC26 and policy DM1 of the Manchester Core Strategy.

14) a) Before the development commences a scheme for the storage and disposal of refuse shall be submitted to and approved in writing by the City Council as local planning authority.

New developments shall have refuse storage space for segregated waste collection and recycling. Internal and external storage areas are required.

b) The details of the approved scheme shall be implemented as part of the development and shall remain in situ whilst the use or development is in operation.

Reason - In the interests of amenity and public health pursuant to policy DM1 of the Manchester Core Strategy.

15) Prior to the first use of the development hereby approved, full details of the specification and locations of bird boxes, shall be submitted to and approved in writing by the City Council as Local Planning Authority. The bird boxes shall be installed prior to the completion of the development and therefore be retained and remain in situ.

Reason - To ensure the creation of new habitats in order to comply with policy EN15 of the Manchester Core Strategy (2012).

16) Notwithstanding the detail shown on drawing: AEM-10-005 Proposed Roof Plan The decked area shall not be used for any other purpose other than as an access point for the maintenance of the green roof.

In the interest of residential amenity within the vicinity of the site pursuant to saved policy DC26 and policy DM1 of the Manchester Core Strategy.

Informatives

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address:

http://www.manchester.gov.uk/info/100011/roads_parking_and_transport/1988/naming_and_numbering_of_houses_buildings_streets_and_roads/2

Whilst the building to be altered is very low risk for bats, the applicant is reminded that under the 2019 Regulations it is an offence to disturb, harm or kill bats. If a bat is found all work should cease immediately and a suitably licensed bat worker employed to assess how best to safeguard the bat(s).

The applicant is reminded that, under the Wildlife and Countryside Act 1981 as amended it is an offence to remove, damage, or destroy the nest of a wild bird, while the nest is in use or being built. Planning consent does not provide a defence against prosecution under this act. If a birds nest is suspected work should cease immediately and a suitably experienced ecologist employed to assess how best to safeguard the nest(s).

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
