First Schedule

Erection of a single storey rear extension

Second Schedule

10 Lidbrook Walk
Manchester
M12 4LN

Manchester City Council are not satisfied that on 12 July 2024 the use/operations described in the First Schedule in respect of the land specified in the Second Schedule and more particularly identified on the plan attached to this certificate edged in red, was lawful within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1) The proposed single storey rear extension as shown on drawing 24-381-02 does not constitute permitted development, as it fails to accord with Part 1, Schedule 2, Class A.1(i) and Class A.1(j)(iii) of the Town and Country (General Permitted Development) Order 2015 (as amended).

The enlarged part of the dwellinghouse would have an eaves greater than 3 metres and extend beyond a wall forming a side elevation of the original dwellinghouse, specifically the side elevation of the existing single storey rearward projection; the proposed enlargement will also project beyond the rear wall of the existing single storey element and encompass it, a width greater than half the width of the original dwellinghouse will therefore result.
