Notes:

1. Do not scale this drawing (printed or electronic versions).
2. This drawing indicates design intent only and shall not be used as working drawing or installation drawing.
3. All structural & architectural elements, where indicated, have been imported from the engineers drawings and reference should be made to the individual structural / architectural drawings for exact dimensions.
4. Discrepancies and/or ambiguities within this drawing, between it and information given elsewhere, must be reported immediately to Park Lighting Design for clarification before proceeding.
5. The position of all equipment shown is indicative only.
