**Grant of Certificate of Lawful Use or Development**

Manchester City Council hereby certify that on 26 July 2024 the use/operations specified below and described in the First Schedule in respect of the land specified in the Second Schedule and more particularly identified on the plan attached to this certificate edged in red, was lawful within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

**PART A - Side Extension**
The proposed single storey side extension as shown on drawings 2435-03 and2435-04 constitute permitted development as it would meet the requirements of Part 1, Schedule 2, Class A of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).

**Refusal of Certificate of Lawful Use or Development**

Manchester City Council are not satisfied that on 26 July 2024 the use/operations specified below and described in the First Schedule in respect of the land specified in the Second Schedule and more particularly identified on the plan attached to this certificate edged in red, was lawful within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

**PART B - Rear Extension**

The proposed single storey rear extension as shown on drawings 2435-03 and 2435-04 does not constitute permitted development, as it fails to accord with Part 1, Schedule 2, Class A.1(j)(iii) and A.1 (ja) of the Town and Country (General Permitted Development) Order 2015 (as amended).

The enlarged part of the dwellinghouse would extend beyond a wall forming a side elevation of the original dwellinghouse, specifically the side elevation of the existing single storey rearward projection; the result will be a width greater than half the width of the original dwellinghouse and therefore exceed the limits set out in sub-paragraphs (e) to (j) as the single storey rear has previously been extended.
