MANCHESTER CITY COUNCIL

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Part 1 – Particulars of the application/development

Proposal: Installation of bi-fold aluminium glazed doors beneath existing canopy following removal of existing security shutters

Location: 18 Bury Old Road, Manchester, M8 9JN

Date of application: 9 September 2024

Application number: 140975/FO/2024

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

In assessing the merits of a planning application officers will seek to work with the applicant in a positive and proactive manner to seek solutions to problems arising in relation to dealing with the planning application. In this instance, there are two large pavement trees adjacent to the premise. It is noted from the submitted information that the applicant intends to seek consent to undertake the raising of the crowns by approximately 1.5m. Clarification was therefore sought from the planning agent in relation to this matter; and further details subsequently provided by the agent, (correspondence dated 05/11/24). The local planning authority had no other issues to raise with the agent but have attached appropriate conditions to the approval.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

o Application for planning permission forms, received by the City Council as Local Planning Authority on 09 September 2024.

o Location Plan with application site edged in red, received by the City Council as Local Planning Authority on 09 September 2024.

o Waste Management proforma, received by the City Council as Local Planning Authority on 09 September 2024.

o Design & Access Statement, received by the City Council as Local Planning Authority on 09 September 2024.

o Existing Plans and Elevations, Dwg. No. 94/24-01, Rev. A, received by the City Council as Local Planning Authority on 09 September 2024.

o Proposed Plans and Elevations, Dwg. No. 94/24-02, Rev. A, received by the City Council as Local Planning Authority on 09 September 2024.

Reason - To ensure the development is carried out in accordance with the approved plans, pursuant to The National Planning Policy Framework (2021) chapter 12; policies SP1, EN1 and DM1 of The Manchester Core Strategy Development Plan Document (2012); saved policy E3.3, DC14.1 of the UDP (1995); and chapter 2 of the Guide to Development in Manchester Supplementary Planning Document and Planning Guidance (2007).

3) Notwithstanding the submitted information, prior to commencement of the development hereby approved, an Arboriculture Impact Assessment (including measures to safeguard the existing street trees) shall be submitted to and approved in writing by the City Council as local planning authority. The approved details shall then be implemented as part of the development.

Reason - In order avoid damage to trees adjacent to the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Core Strategy (2012).

4) The materials to be used for the development hereby approved shall be implemented in accordance with the approved plans, as stated on the submitted information.

Reason - To ensure the appearance of the building to be extended is not adversely affected by the materials to be used in the construction of the elevational alteration, pursuant to The National Planning Policy Framework (2021) chapter 12; policies SP1, EN1 and DM1 of The Manchester Core Strategy Development Plan Document (2012); saved policy E3.3, DC14.1 of the UDP (1995); and chapter 2 of the Guide to Development in Manchester Supplementary Planning Document and Planning Guidance (2007).

5) In this condition "retained tree" means an existing tree, shrub or hedge which is to be as shown as retained on the approved plans and particulars; and paragraphs (a) and (b) below shall have effect until the expiration of 5 years from the date of the occupation of the building for its permitted use.

(a) No retained tree shall be cut down, uprooted or destroyed, nor shall any retained tree be topped or lopped other than in accordance with the approved plans and particulars, without the written approval of the local planning authority. Any topping or lopping approved shall be carried out in accordance with British Standard 5387 (Trees in relation to construction)
(b) If any retained tree is removed, uprooted or destroyed or dies, another tree shall be planted at the same place and that tree shall be of such size and species, and shall be planted at such time, as may be specified in writing by the local planning authority.
(c) The erection of fencing for the protection of any retained tree shall be undertaken in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the local planning authority.

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Core Strategy.

Informatives

Building Regulations 2010
This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements
Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

Julie Roscoe
Director of Planning, Building Control & Licensing

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority of the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
