What was the original application type?

Full planning permission

For the purpose of calculating fees, which of the following best describes the original development type?

- ☐ **Householder development:** Development to an existing dwelling-house or development within its curtilage
- ☒ **Other:** Anything not covered by the above category

Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Removal of Condition 3

Please state why you wish to make this amendment

The shutters hinder access to the reception/entrance and are significantly unsightly. Removal of the shutters will enhance and activate the frontage of the Fallowfield District Centre and will have no impact on any neighbouring residential uses in terms of noise or other disturbance. It should not be a requirement to maintain shutters in this instance, as there is no policy to provide or maintain shutters in established mixed-use and retail areas.

The Officer's Delegated Report for the original planning application states that 'providing an active ground floor use would mean that the shutters that have been constantly closed would now be raised and the ground floor would present as an active frontage once more.'

Are you intending to substitute amended plans or drawings?

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☐ Yes

☒ No
