Attachments: ufm40_Consultation_-_Condition_discharge.pdf

Dear Emily,

Further information on any works to repair original/historic fabric following approved demolitions, and full and final details of any fixings/keying-in into original/historic fabric [i.e. new block walls to retain unit 2] must be submitted in order to support the discharge of conditions. The latter required indicative cross-sections/junction details at appropriate scale.

Best,

Paula Burbicka (she/her)
