Details of the pre-application advice received

I refer to your recent enquiry regarding a proposed play structure and whether planning permission is required.

No details have been provided as to where the structure would be sited in relation to the boundaries of the rear garden and host dwellinghouse, but based on the submitted images and dimensions, I can confirm that as the structure includes raised platforms, planning permission would be required, pursuant to Schedule 2, Part 1, Class E of the Town and Country Planning (General Permitted Development) Order 1995.
