Co.Reg. No. 2496955

Accredited Contractor
APPROVED CONTRACTOR

The installation was carried out to the top floor of the multi-story carpark and sits mounted to the floor with a mixture of drilled fixings and Ballast system.

The Perimeter is by way of steel balustrade that stands 1260mm high on the East Elevation and 1130mm high on the South Elevation, the highest point of the pitched Solar PV Panel stands at 335mm high, this is well below the low point of the East Elevation balustrade of 1130mm
