Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Our garden is approximately 30 feet long and adjoins the rear of the property applying for planning permission . The house overlooks our garden due to its close proximity. An elevated extension will tower over our small garden and we feel this will cause an intrusion into our privacy and be more of eye sore than it already is. We strongly object to this alteration.

Kind regards
