Re:	Flagpole	Ref:	Manchester City Centre	Date:	9.7.24

I enclose our quotation as requested for the supply of 12m in height for ground mounting.

Flagpole Specification

- Flagpole, white, tapered, fiberglass, designed for ground mounting.
- Pole dimensions are height 12m., 14cm dia butt, 6.5cm dia top.
- Pole is one piece and finished with ultra hard gel coat finish – impervious to all weather conditions.
- Suitable for flying a single thickness flag maximum size 12m 12ft x 6ft (std 4 yard) in normal weather conditions.

Supplied with:

- Internal halyard system, flag weight and gold finial top, rotating finial or white button top (specify at order).
- Galvanised steel hinged base plate and ground anchors.

Flag Specification

- Flag made in woven polyester and of sewn construction.
- Size 12ft x 6ft (4 yard).
- Hemmed all round and fitted with heading, line and toggle.
