PHOTOGRAPHIC SURVEY

by

A top-down view of two people sitting on a large, light green beanbag chair. They are both looking at a collection of fabric and color swatches spread out on their laps. The person on the left is wearing a white watch and a patterned sleeve. The person on the right is wearing a black watch and a white sleeve. The swatches include various shades of green, blue, and beige, some with textured fabric samples. A small red notebook and a black smartphone are also visible on the chair.
