Dear Sir / Madam

Re: Application Number: 129852/FO/2021– Former Chatsworth Mill

I am writing to seek discharge of Condition 13 related to the Environmental Standards Statement. I can confirm that the scheme has been constructed in line with the requirements set out in the Zero3 report discharged under condition number 136744/NMC/2023. Images below show the installation of the cylinders and the MVHR units.

Please let me know if you need any further information.

Kind Regards
