Reasons for comment:	
Comments:	I am extremely opposed to this proposal. The planned installation is directly in front of my garden and will have a significantly detrimental effect on the look and feel of the area. This type of security is unwarannted & excessive based on the area and will make it look like we live next to a prison (indeed 2.4m fences are used in prisons and is unjustifiable here). If additional security is required a smaller less visibly obtrusive fence would be acceptable. Thanks, Ian

Kind regards
