MANCHESTER CITY COUNCIL

Appendix E - Waste Management Strategy (v7.00 from September 2023)

Planning Application Number:
Date Submitted:
Estimated volumes / m2 required by the development

Will this property be used as a House in Multiple Occupation (HMO)?	No
If this property will be used as an HMO, how many people do you intend to accommodate (5+)?	

Low Rise Domestic

Waste Types	Capacity required (litres)	Number of bins required (per household)	Confirm what is to be provided (and whether the developer or the resident will be responsible for ordering these)
General refuse	140 standard / 240 in certain circumstances	1 x wheeled bin (possibly more for HMO)	
Pulpable Recycling	240	1 x wheeled bin (possibly more for HMO)	
Mixed Recycling	240	1 x wheeled bin (possibly more for HMO)	
Garden Waste	240	1 x wheeled bin (possibly more for HMO)	
Food Waste	23	1 x 23 litre caddy (Possibly more for HMO)	

High Rise Apartment Developments

0.43m2 has been provided per apartment for the containers, with extra space for residents to access each container and space for staff to manoeuvre each container for collection. (different for purpose-built student accommodation – see guidance)	Yes / No (delete as appropriate) How many of each container do you plan to provide? _____ x general refuse x 1100 litre (based on 110 litres per apartment) _____ x pulpable Recycling x 1100 litre (based on 55 litres per apartment) _____ x mixed recycling x 1100 litre (based on 55 litres per apartment) _____ x food waste x 240 litres (based on 10 litres per apartment) _____ x garden waste (if applicable) x 240 litres
Is it as easy, or easier, for residents to recycle, as it is for them to dispose of general waste?	Yes / No (delete as appropriate)

Commercial Developments

Please state number of bins you propose, showing calculations where appropriate.

General Waste - 1 x 1100L Eurobin Dry recycling (include material type details) - 1 x 1100L Eurobin mixed dry recycling (paper, plastic, cardboard, cans) Food Waste - 2 x 240L Wheeled bins Total office space (inc meeting rooms, shared workspace, classrooms) - 250m^2 - 650L with 50% capacity for recycling (325L) Cafe space - 20 dining spaces - 1,500L with 50 % capacity for recycling (750L) and 30% for food waste (450L)

Has / will a contract be obtained with a licenced waste carrier?	Yes

Mixed Use Developments

Are the stores for residential and commercial waste completely separate from each other, with residents having no access to the commercial store and the commercial units having no access to the residential store?	N/A

Internal Stores (Residential and Commercial)

Please provide details of internal stores / segregation of waste and recycling.

1 x 60L general waste bin located in the cafe kitchen
1 x 60L mixed recycling bin located in the cafe kitchen
1 x 20L Food waste bin located in the cafe kitchen
4 x 40L - Waste separation bins (Split 50% mixed recycling and 50% general waste) in the ground floor and first floor shared workspaces and the first floor classroom/flexible space and the second floor classroom/meeting space.

Storage Areas for Waste Containers (Residential and Commercial)

Please provide details of container stores, attaching plans if appropriate.

The waste container store will be located at the rear of the building beside car parking. It will be a timber fenced enclosure with a secure gate.

Ensure all bins in the store are accessible	☐
Ensure recycling facilities are as easy to access as general refuse	☐

Please confirm details of waste store ventilation and hygiene / cleaning proposals

Ventilation - Waste will be stored externally in a timber fenced enclosure which will allow for natural ventilation

Hygiene - The building management team will be responsible for ensuring the bin store will be kept clean and secure

Please provide details of who will be responsible for placing the bins at the collection point and returning them to the store / property promptly e.g., resident / management company

Bins will be placed at the collection point and promptly returned by the building management team.

Please ensure that you have attached:

Detailed plans of bin stores	☐
Location plans showing stores	☐
Location plans showing the proposed collection point and the route the collection vehicle will take (please refer to the Road, Vehicle and Waste Operative Access Specification – paying particular attention to turning space and reversing)	☐

Please ensure that you have completed this form in accordance with the latest version of GD04 Waste Storage and Collection Guidance for New Developments – v.7 September 2023, read in conjunction with the Waste and Recycling Service Standard found on the Council website.
